

What's Happening in CoSE

Nominations Wanted for CoSE Committees

We have four open committee seats for the upcoming Academic Year (22-23). The open seats are:

CoSE Executive Committee - 1 Science and 1 Engineering
Graduate Council - 1 Science
Open Resource Committee - 1 Science or Engineering

Faculty interested in serving on any of the committees listed below are asked to submit their name and committee preference to April Robinson [via email](#) by 5 p.m. on Friday, April 22.

If you have any questions about the committees, contact April.

Citizen Scientists and Trees Needed for Seasonality Research in Pocatello

Scientists in Dr. Rebecca Hale's urban socio-hydrology lab are asking residents to volunteer a tree in their front yard for observation. Additionally, researchers are looking to enlist the help of citizen scientists to help check on the trees. Trees that are volunteered will have a small sign with a link to a brief survey that community members can use to enter data about how the tree is faring at that moment.

DOE Scholars Internship Opportunity Summer 2022

DOE-ID's Idaho Cleanup Project is seeking candidates for 10-12 week internship opportunities under the DOE Scholars Program. This is a stipend-based intern program that is open to candidates currently pursuing an Associates Degree, Bachelors Degree, or Masters Degree. The internship will provide a professional opportunity within the Office of Environmental Management (EM) to

network/connect with career employees and be part of the dynamic interactions between EM and our contractor, the Office of Nuclear Energy (NE), and other DOE programs.

More information and instructions for applying may be found in the attached flyer and an ICP specific announcement can be found at: [DOE Scholars Internship – Idaho Falls, ID](#). Applications must be submitted by April 28, 2022.

Help Us Share Your Accomplishments!

Our College's outstanding faculty, staff, and students achieve many notable research and professional accomplishments. In addition, our departments regularly have newsworthy advancements. We want to make sure those stories are shared publicly. Here are a few ways you can provide a news tip to help get the word out:

Use this [Story Submission Form](#) to send your news tip to the Office of Marketing and Communications.

Send an email to Logan McDougall (loganmcdougall@isu.edu) with a brief description of the news to be shared.

You are always welcome to create a draft story, submit it via the [Story Submission Form](#), or send it to Logan. The Office of Marketing and Communications and Logan will coordinate to get the story finalized and distributed to the media outlets/platforms that best tell the story.

Free On-Campus Parking and Updated Parking Fees

Free parking on the north side of Holt Arena will **start on July 1** and include a renewed focus on our free campus bus route, with stops near many campus buildings.

After holding parking fees flat for more than a decade, the University has determined a need to implement a 5% increase in all parking fees for the next academic year.

Bengal Community Invited to Own a Piece of Holt Arena's History

As the renovation project moves forward inside Idaho State University's Holt Arena, a number of the venue's old seats will be made available for purchase.

The iconic seats **will be sold for \$50 each**, and the purchase will be packaged with additional Holt Arena 50-year memorabilia and University apparel.

Volunteers Needed for Commencement

Commencement will be held on Saturday, May 7, in Holt Arena at 10 a.m. and 2 p.m. As always, the success of commencement will be dependent upon our **dedicated team of staff volunteers**.

If you would like to help, please complete the Commencement Volunteer Sign Up form ASAP. Training will be provided. Lunch will be provided for volunteers who work both ceremonies.
