What's Happening in CoSE

CoSE Departments Host Tours

This week, CoSE Departments have been busy hosting area students on campus!

Learners from Pocatello’s Century High School checked out the AGN-201 reactor, students from Ridge Crest, Groveland, and I.T. Stoddard elementary schools in Blackfoot stopped by Physics for demonstrations and egg rockets, and Biological Sciences hosted students from the Owyhee Combined School in Owyhee, Nevada for tours and activities.

FY 2023 Raises and Change in Employee Compensation

Human Resources is excited to announce that ISU’s FY2023 distribution plan for annual pay increases has been approved by the Division of Human Resources and the Division of Financial Management.

Congrats, Dr. Marco Schoen!

Dr. Marco Schoen has been named a runner-up for the Career Path Internship program’s Spring 2022 CPI Supervisor of the Semester award.

This semester, the CPI Office received over 40 nominations for the Supervisor of the Semester award.

ECE Student Presents Research on Detecting Malware on RFID Tags in Las Vegas

Electrical and Computer Engineering Master’s student Nehal Hasnaeen just returned from the IEEE International Conference on RFID in Las Vegas where he presented his research paper, "Detection of Malware in UHF RFID User Memory Bank using Random Forests Classifier on Signal"
Co-authored with Assistant Professor Andrew Chrysler, Nehal outlined how malware installed on RFID tags can be detected using artificial intelligence. Using Nehal's system, the malware-infested tag is detected more than 80% of the time!

**Help Us Share Your Accomplishments!**

Our College’s outstanding faculty, staff, and students achieve many notable research and professional accomplishments. In addition, our departments regularly have newsworthy advancements. We want to make sure those stories are shared publicly. Here are a few ways you can provide a news tip to help get the word out:

- Use this [Story Submission Form](mailto:) to send your news tip to the Office of Marketing and Communications.
- Send an email to Logan McDougall ([loganmcdougall@isu.edu](mailto:loganmcdougall@isu.edu)) with a brief description of the news to be shared.
- You are always welcome to create a draft story, submit it via the [Story Submission Form](mailto:), or send it to Logan. The Office of Marketing and Communications and Logan will coordinate to get the story finalized and distributed to the media outlets/platforms that best tell the story.
