Homecoming Breakfast

Saturday, October 15
Breakfast | 9 a.m. | Holt Arena Lawn
Reserved Parade Viewing
South Corner of Stacy Dragila Way and Memorial Drive
RSVP by October 10 to cose@isu.edu
Homecoming Game | 1 p.m. | Holt Arena
Idaho State University Vs Cal Poly
$10 Game tickets available
BIG IDEAS WANTED for CoSE’s Strategic Investment Fund

The College of Science and Engineering invites concept papers for allocations from CoSE’s Strategic Investment Fund. This fund allows the college to invest in interdisciplinary, collaborative, innovative and sustainable projects that support enrollment as well as faculty, staff and student success. Funded projects will support those aims and may be focused on one or a combination of activities relating to curriculum, pedagogy, research and/or mentoring.

Click here for more info on how to submit your BIG IDEA

It was our pleasure to host United States Air Force Colonel Michael Warner and Captain Matthew Aston from the Air Force Sustainment Center Engineering Directorate at Hill Air Force Base last week for a tour of our engineering departments and facilities.
Welcome to CoSE, Jay Broda!

Jay is CoSE’s new Academic Advisor.

He has spent the majority of the last 20 years working as a teacher and adjunct professor in northeastern Colorado and the Denver/Metro area. Jay holds a Bachelor of Science in Biological Sciences with an emphasis in Field Biology from the University of Northern Colorado.

Outside of work, Jay can be found seeking out new places to visit/explore and enjoying the outdoors. He’s also an avid board/card game enthusiast and hockey fan and is looking forward to cheering on the Idaho Falls Spud Kings during their inaugural year.

Biology Faculty Member to Host Anatomage Webinar

Our resident Anatomage expert and professor of comparative neuroethology, Curt Anderson, is leading a webinar on how the 3D visualization system can help teach anatomy to everyone from kindergarteners to the next generation of medical doctors.

At Idaho State, Curt and the other faculty in biological sciences use the Anatomage table to teach multiple anatomy and physiology courses and as a hands-on demonstration at community outreach events.

The webinar will be held Wednesday, September 21, at 1 p.m. PDT (4 p.m. EDT).

Wednesday, the teachers were the students!

Melissa McDaniel and Lindsay Frazier from the Center for the Improvement of Mentored Experiences in Research stopped by to train faculty on how to become even better mentors to graduate students at Idaho State University.

Sabbatical Applications Due October 1

The College of Science and

Executive Committee Election Results

Leif Tapanila, geosciences professor
Engineering strongly supports the awarding of sabbatical leaves. As stated in the Idaho State University Faculty-Staff Handbook, sabbatical leaves are granted as an acknowledgment of outstanding service and provide an opportunity for advanced learning, research, or performance. The sabbatical leave program promotes excellence in the faculty and enhances the reputation of the University.

Applications for sabbatical leave and the Chair's statement are due to the Dean's Office by October 1.

More information on how to apply for sabbatical can be found here.

Help Us Share Your Accomplishments!

Our College’s outstanding faculty, staff, and students achieve many notable research and professional accomplishments. In addition, our departments regularly have newsworthy advancements. We want to make sure those stories are shared publicly. Here are a few ways you can provide a news tip to help get the word out:

Use this Story Submission Form to send your news tip to the Office of Marketing and Communications.

Send an email to Logan McDougall (loganmcdougall@isu.edu) with a brief description of the news to be shared.

You are always welcome to create a draft story, submit it via the Story Submission Form, or send it to Logan. The Office of Marketing and Communications and Logan will coordinate to get the story finalized and distributed to the media outlets/platforms that best tell the story.

Proposals for Undergrad Research Funds Due October 03 at Noon

The SBOE has once again awarded ISU funding to support STEM undergraduate research projects during the 2022 - 2023 academic year. This year, funds will be awarded to six labs, or research projects, with the selection based upon proposals. A maximum of $8,000 will be awarded to a single lab (or project) to fund 2-3 undergraduate students for the academic year. Funds must be expended by June 1, 2023. Preference is given to faculty who did not receive these funds last year.

Click here for more details on how to submit your proposal.

From Around ISU
Law Enforcement Training Driving Exercises Set Sept. 19-29 in Holt Arena Parking Lot

Idaho State University will be partnering with the Pocatello and Chubbuck Police Departments and the ISU Law Enforcement Program, to allow for law enforcement driver training in the Holt Arena parking lot. Training exercises with vehicles will take place in the northeast parking lot of Holt Arena Sept. 19 - 29. During this time, large sections of the north east lot will be roped off for training exercises. Members of the campus community will still be able to utilize free parking in the northwest parking area with easy access to the Pocatello Regional Transit bus shelter.

Please contact ISU Parking Services for further information.

Register for an Upcoming Intro to CliftonStrengths Workshop

Human Resources has released the training schedule for upcoming monthly Intro to Strengths (CliftonStrengths) Workshops open to all ISU faculty and staff. This academic year, sessions will be offered in two formats:

In-person format: the complete workshop is offered in 1, 4-hour session, hosted in Pocatello unless otherwise specified.

Remote format open to all campus locations (Zoom-based): the complete workshop is offered through 2, 90-minute sessions scheduled on consecutive weeks. To complete this full workshop, attendees must

Idaho State TRIO Veterans Program Awarded $1.5 Million Grant

Idaho State University’s TRIO Veterans program was recently awarded $1.5 million to fund the program for the next five years.

The TRIO Veterans Program works to serve veterans and active-duty military members who are predominately first generation (meaning neither parent has completed a 4-year bachelor's degree) and limited income (meaning the family taxable income is within 150% of poverty metrics). The program’s mission is to serve 125 participants a year who reside within the southern and eastern parts of the state.

Please contact ISU Parking Services for further information.

University Honors Program Trivia Night Scheduled for Oct. 1

The University Honors Program is hosting a trivia night on Saturday, October 1st from 7-9pm. The trivia teams will be comprised of Honors students, faculty, staff, alumni, and community members. The winners will be crowned trivia champions! All questions and material will be provided by DJ Trivia. Please RSVP for the event.

Pallets Needed for Homecoming Bonfire

The Student Activities Board is in need of wood pallets for this year's Homecoming Bonfire. If you know a local business or any individuals who would be willing to donate wood pallets, please contact Stetson Tolman at 208-241-8157, stetsontolman@isu.edu. Arrangements can be made to pick up the pallets.
