What's Happening in CoSE

ISU to Offer Bachelor's Degree in Computer Engineering, Master's Degree in Electrical and Computer Engineering Starting Fall 2022

Idaho State University's Electrical and Computer Engineering Department will soon offer a pair of new academic programs.

SACNAS at Idaho State University Nationally Recognized

One of ISU's newest student organizations has been officially recognized by its national counterpart.

Nuclear Engineering Department Honors Volunteers

The Nuclear Engineering Department is saying thank you to volunteers who helped keep ISU's reactor running.
Help Us Share Your Accomplishments!

Our College’s outstanding faculty, staff, and students achieve many notable research and professional accomplishments. In addition, our departments regularly have newsworthy advancements. We want to make sure those stories are shared publicly. Here are a few ways you can provide a news tip to help get the word out:

Use this **Story Submission Form** to send your news tip to the Office of Marketing and Communications.

Send an email to Logan McDougall (loganmcdougall@isu.edu) with a brief description of the news to be shared.

You are always welcome to create a draft story, submit it via the **Story Submission Form**, or send it to Logan. The Office of Marketing and Communications and Logan will coordinate to get the story finalized and distributed to the media outlets/platforms that best tell the story.

---

**From Around ISU**

- **2022 Employee Appreciation Week**
  - Starts March 28
  
  To thank our amazing faculty and staff for their efforts, ISU will virtually celebrate **Employee Appreciation Week** at all campus locations! This appreciation event will allow us to thank our amazing faculty and staff and give them the recognition they deserve. Staff and faculty members will be able to participate from anywhere.

- **Vice President for Research Finalists Named**
  
  The entire campus community is invited to attend a series of **virtual open forums** to learn how each finalist’s experience and research align with Idaho State University’s mission and strategic goals.

- **Reminder: Strategic Plan Goals and Objectives Feedback**
  - Due Mar. 18 at 5 p.m.

  As a reminder, the deadline to provide feedback about Idaho State University’s Strategic Plan goals and objectives is rapidly approaching. Please review the draft version of the Strategic Plan and take the time to provide your feedback.
celebration week includes a variety of activities and events focused around fun, honoring one another, and professional development opportunities for all.

Single Sign-On Going Live

ISU's Information Technology Services Department is excited to announce the new single sign-on features will go live March 25 for many of the university’s information technology (IT) systems. While this project is not yet complete, enough of the features are in place to enable users to begin to enjoy the benefits of single sign-on.

ISU Accreditation Reaffirmed

Idaho State University’s accreditation with the Northwest Commission on Colleges and Universities has been reaffirmed.

Staff Council’s Staff Appreciation Luncheon Slated for April 1

If you plan on attending the luncheon, please RSVP by March 24.

Bengal Visit Day Volunteers Needed

All of us play an important role in sharing the great things Idaho State University has to offer with our prospective students, their parents, and the community. Students are at the center of everything we do, and we need your support to showcase the value of an Idaho State education.

On Saturday, April 23, our University will host our annual Bengal Visit Day. University faculty and staff play a vital role in creating genuine interest and getting students excited about enrolling. Every member of our campus community is encouraged to get involved.

Nominations Wanted for Student Employee of the Year

The ISU Career Center and Scholarship Office are accepting nominations for the Student Employee of the Year Scholarship and the Lupher Scholarship.

The Student Employee of the Year will receive $2,000 and the Lupher Scholarship winner will receive approximately $400.

Accessibility+ Toolkit Wizards

Take the guesswork out of checking the accessibility of your course! The new Accessibility+ Toolkit in Moodle ISU includes wizards that allow you to submit error fixes in bulk. This will save you time and help ensure that your course is accessible.
