Outstanding Student Achievement Award Winners Announced

Congrats to Robbie Spears, Camile Hansen, and Ali Shokrgozar for earning an **Outstanding Student Achievement Award!**

Robbie took home the honor in the Physical & Engineering Sciences category, while Camile was named the winner in Natural Sciences. Ali was named the Outstanding Doctoral candidate by the Graduate School.

The Outstanding Student Achievement Awards are the most prestigious awards given by the University to students. The Outstanding Student Achievement Awards are presented in recognition of the hard work, discipline and academic excellence exemplified by these student leaders. The recipients are graduating students who have demonstrated outstanding service to their respective college, Idaho State University and the community, and who also have exceptional scholastic achievement.

Civil Engineering Students Competing in Project Precast 2022

Good luck to Civil Engineering students Mahesh Acharya, Laura-Louise Alicke, Anthony Droghei, and Ali Shokrgozar!

This week, the four are in Kansas City to compete in Project Precast 2022 at this year's PCI Convention. Described as a "cross between the TV shows 'Project Runway' and 'Shark Tank,'" students are divided into teams and will have to design a solution to a construction problem using precast concrete for a chance to win \$3,000. Their faculty sponsor is Dr. Mustafa Mashal.

Disaster Preparedness and Response Conference Slated for April 8 and 9

The Disaster Response Complex is hosting its first-ever Disaster Preparedness & Response Conference April 8 and 9. The two-day event will focus on all four phases of disasters: Response, Recovery, Mitigation, and Preparedness.

The conference is made possible by the Center for Advanced Energy Studies and is hosted in collaboration with ISU Continuing Education and Workforce Training and ISU Community and Public Health.

Help Us Share Your Accomplishments!

Our College's outstanding faculty, staff, and students achieve many notable research and professional accomplishments. In addition, our departments regularly have newsworthy advancements. We want to make sure those stories are shared publicly. Here are a few ways you can provide a news tip to help get the word out:

Use this [Story Submission Form](#) to send your news tip to the Office of Marketing and Communications.

Send an email to Logan McDougall (loganmcdougall@isu.edu) with a brief description of the news to be shared.

You are always welcome to create a draft story, submit it via the [Story Submission Form](#), or send it to Logan. The Office of Marketing and Communications and Logan will coordinate to get the story finalized and distributed to the media outlets/platforms that best tell the story.
