## CoSE IT Update

To enhance customer service, the CoSE IT office offers the following suggestions:

- Contact CoSE IT directly with any IT issue that you are experiencing. Their contact information can be found at <https://help.cose.isu.edu/contact>
  - All computer hardware and software purchases should go through the CoSE IT office. This will ensure that the computers in CoSE are properly tracked and up to date with the proper software.
  - To provide feedback about the performance of CoSE IT technicians, please contact Jack at [bradjac2@isu.edu](mailto:bradjac2@isu.edu)
  - Upcoming server maintenance windows will be posted at [help.cose.isu.edu](https://help.cose.isu.edu). Please contact Jack if you have any questions or concerns about an upcoming maintenance window.
