

Idaho Open Education Week

[Idaho Open Education Week](#) is March 1-5. Throughout the week, Idaho State University in partnership with the Idaho State Board of Education and Idaho's public colleges and universities will host a series of statewide virtual events designed to raise awareness of open education and its benefits to students and faculty.

Registration is requested to join the virtual sessions, but events will also be streamed via YouTube. Please see the [Idaho Open Education Week website](#) for program descriptions and livestream information.

Dates to Remember	
March 5	Chair evaluations completed by faculty are due to Dean's Office. Please email to jennioverocker@isu.edu .
April 1	Gen Ed Objective Review Committee reports due to GERC at gercmail@isu.edu
April 2	UCC Catalog Change Proposals and Program (State) Proposals due to Dean's Office. Please submit to Bob Fisher, Associate Dean, at robertfisher@isu.edu .
April 26	The summer calculator (download to use) is due to Grants and Contracts from faculty who will be paid this summer from a grant (excluding internal or startup awards). Please work with your Financial Tech to complete the calculator and obtain signatures prior to submission.

Let's Share Your Good News!

The outstanding faculty, staff and students in our college achieve many notable research and professional accomplishments. In addition, our departments regularly make newsworthy advancements. We want to make sure those stories are shared publicly. Here are a few ways you can provide a news tip to help get the word out.

1. Use this [Story Submission Form](#) to send your news tip to the Office of Marketing and Communications.
2. Send an email to Miriam Dance (miriamdance@isu.edu) with a brief description of the news to be shared.
3. You are always welcome to create a draft story that can be submitted via the [Story Submission Form](#) or sent to Miriam Dance. The Office of Marketing and Communications and Miriam will coordinate to get the story finalized and distributed to the media outlets and platforms that will best tell the story.

Upcoming Events in the College of Science and Engineering
