

Professor Dustin McNulty Named Physics Dept. Chair

We are pleased to announce that Dr. Dustin McNulty has been named Chair of the Department of Physics effective immediately. Dustin is an accomplished Physicist and has been at ISU for over a decade. We're happy that he has agreed to work with the department faculty to chart the future of ISU Physics.

Distinguished Faculty Nominations Wanted

Nominations are being sought for three annual awards for Idaho State University faculty members. Those recognized will be honored during a reception in April and during the 2022 Commencement exercises.

Details on how to nominate a deserving faculty member can be found at isu.edu/news/2022-spring/distinguished-faculty-nominations-sought.html.

Shipping and Receiving Deliveries Delayed

Due to student workers being out with COVID, deliveries by the Shipping and Receiving Department may be delayed. If you have packages that are needed sooner rather than later, please arrange to have someone pick them up rather than waiting on Shipping and Receiving. If you have questions, please contact Sandra Hunter, Receiving Clerk/Materials Handler, at 208-282-4047 or sandrahunter@isu.edu.

Export Control Compliance Policy

In recent years, U.S. Government agencies have strictly enforced export control regulations applicable to universities and research institutions, resulting in numerous investigations as well as civil and criminal sanctions at the institutional and individual levels. While ISU is committed to maintaining an open teaching and research environment that supports the global benefit of our academic and research endeavors, we also remain equally committed to upholding our responsibilities under export compliance regulations. For more info, visit myemail.constantcontact.com/Export-Control-Compliance-Policy.html?soid=1127399030149&aid=cL3GBeVEndU

KN95 Mask Distribution

Idaho State University has acquired a supply of KN95 masks for faculty and staff. KN95 masks can filter up to 95% of particles in the air and are made to create an airtight seal around the user's face; thus are more effective than cloth face coverings. KN95s are disposable but can be reused multiple times safely by rotating their usage.

For more information, visit isu.edu/news/2022-spring/kn95-mask-distribution-.html.

IMNH to Host "Remembering Bear River" Film Screening

The Idaho Museum of Natural History's on the Pocatello campus of Idaho State University is hosting a free film screening of the documentary Remembering Bear River on Jan. 27 at 6 p.m. at Frazier Hall. More details can be found at isu.edu/news/2022-spring/museum-to-host-remembering-bear-river-film-screening.html.

CoSE in the News

[Idaho State University Chemistry Student Earns Fellowship From American Chemical Society](#)

Help Us Share Your Accomplishments!

Our College's outstanding faculty, staff, and students achieve many notable research and professional accomplishments. In addition, our departments regularly have newsworthy advancements. We want to make sure those stories are shared publicly. Here are a few ways you can provide a news tip to help get the word out.

1. Use this [Story Submission Form](#) to send your news tip to the Office of Marketing and Communications.

2. Send an email to Logan McDougall (loganmcdougall@isu.edu) with a brief description of the news to be shared.
3. You are always welcome to create a draft story and submit it via the [Story Submission Form](#) or send it to Logan. The Office of Marketing and Communications and Logan will coordinate to get the story finalized and distributed to the media outlets/platforms that best tell the story.

Dates to Remember

Feb. 21	Presidents' Day holiday (no classes)
Feb. 22	Early 8-week course grading opens
Feb. 28	Mid-term week
Mar. 7	Late 8-week courses begin
Mar. 8	Early 8-week course grading closes at 5:00 pm

Upcoming Events in the College of Science and Engineering

For a complete list of CoSE events, check out the [College Event Calendar](#) and click an event to get more details. Updates can also be found on [Facebook](#), [Twitter](#), [LinkedIn](#), and [Instagram](#). To add events to the calendar, please contact the administrative assistants in your department. The university-wide calendar of events is available [here](#).
