ISU Strategic Plan Update: Proposed Mission, Vision, and Values

The Idaho State University Strategic Planning Committee (SPC) collaboratively drafted the initial framework for mission, vision, and values of our new strategic plan. Once finalized, this framework will guide the development of Idaho State's goals and objectives [throughout the remainder of our strategic planning process](#), and will become a roadmap for our future.

Because this process will drive strategic priorities and decisions moving forward, it is important that everyone in our campus community has an opportunity to provide feedback during this process. Please provide your feedback using the [Feedback Collection Form](#) by 5 p.m. on Thursday, January 13.

More info is available [here](#).

Help Us Share Your Accomplishments!

Our College's outstanding faculty, staff, and students achieve many notable research and professional accomplishments. In addition, our departments regularly have newsworthy advancements. We want to make sure those stories are shared publicly. Here are a few ways you can provide a news tip to help get the word out.

1. Use this [Story Submission Form](#) to send your news tip to the Office of Marketing and Communications.
 2. Send an email to Logan McDougall (loganmcdougall@isu.edu) with a brief description of the news to be shared.
 3. You are always welcome to create a draft story and submit it via the [Story Submission Form](#) or send it to Logan. The Office of Marketing and Communications and Logan will coordinate to get the story finalized and distributed to the media outlets/platforms that best tell the story.
