

MATH 0090 Testing

Please note that scheduling an exam or taking the exams for Math 0090 is not done in the Math Department or the ISU Testing Center that is in Gravelly Hall*. Testing for Math 0090 is done in the Math Center in the Rendezvous Building or online.

For information about the Math 0090 course, testing, testing center hours, scheduling an exam, remote/online testing, or instructions, please see the **Math 0090 Guidebook** website at:

*Clarification:

The testing center where you take the regular ALEKS placement exam is done in the ISU Testing Center in Gravelly Hall. However, that placement exam is different than the exit exams that are done for the Math 0090 course. The Math 0090 exit exams are done in the Math Center testing room in the Rendezvous Building.
