INFORMATION FOR GRADUATE ADMISSION IN MATHEMATICS

NAME: _____ DATE: _____

E-MAIL ADDRESS: _____ PHONE: _____

ADDRESS: _____

PREVIOUS EDUCATION:

	Name of Institution	Degree	Major	Dates of study
Undergraduate:	_____	_____	_____	_____
	_____	_____	_____	_____
	_____	_____	_____	_____
Graduate:	_____	_____	_____	_____
	_____	_____	_____	_____
	_____	_____	_____	_____

DEGREE APPLYING FOR: Master of Science Doctor of Arts

M.S. Degree: Undergraduate G.P.A. over the last two years of study _____

D.A. Degree: Overall graduate G.P.A. _____

GRADUATE RECORD EXAMINATION: You must submit scores for the verbal, quantitative, and analytical writing portions of the General Test. The Mathematics Subject Test is optional.

Check the statement which applies:

- I expect to take the G.R.E. on or about _____ (date).
- I have already taken the G.R.E. and am requesting the Educational Testing Service (www.ets.org) to forward the scores to the Graduate School at Idaho State University.

PREVIOUS EMPLOYMENT IN MATHEMATICS TEACHING (and related areas):

Position(s) and Employers: _____

NAMES AND ADDRESSES OF THREE ACADEMIC REFERENCES (Please ask each of your references to mail a completed Recommendation Form and a confidential letter of recommendation directly to the Department of Mathematics.)

1. _____
2. _____
3. _____

A limited number of Teaching Assistantships and Fellowships are available to qualified applicants. These carry a stipend and a waiver of tuition, health insurance fees, and other fees.

Teaching Assistantships are awarded to some M.S. and some D.A. students. Duties are assigned at the discretion of the Chair of Mathematics and careful consideration is given to the quality of spoken and written English in making these assignments.

Duties typically involve teaching one or two courses or grading for (faculty members teaching) undergraduate courses.

Fellowships are awarded to some D.A. students and no official duties are required beyond full time work toward completing the D.A. degree. The student must be enrolled full time.

Minimum qualifications for a Teaching Assistantship:

1. Bachelor's degree in mathematics
2. Undergraduate G.P.A. over the last two years of at least 3.0
3. A G.R.E. score of at least the 50th percentile on the quantitative portion of the general aptitude test.
