Calculator Policy in Pocatello

For Math 1108 Quizzes and Exams in the Testing Center (Rendezvous 324), no student may use his or her own calculator.

A Math 1108 student taking a Quiz or an Exam in the Testing Center who needs a calculator must use the calculator that is installed on the computer at which the student is taking the Quiz or Exam.

The installed calculator can be accessed by typing calculator in the Search box after clicking on the Windows icon (Start) at the lower left part of the computer screen. See the screen below.
The installed calculator appears in the screen below.
