Scheduling Quizzes & Exams

The graded quizzes and exams are taken in the Testing Center, Rendezvous 324. The testing sessions during the regular semester (except for holidays) begin at the following times:

Monday through Friday:  9:15, 10:30, 11:45, 1:00 pm, 2:15, 3:30, 4:45 pm

Fridays that are not deadlines:  9:15, 10:30, 11:45, 1:00 pm, 2:15 pm

During Final Exam week, the testing sessions begin at the following times:

Monday, & Tuesday:  7:30 am, 10:00 am, 12:30 pm, 3:00 pm, and 5:30 pm

You must schedule your quizzes and exams before going to the Testing Center to take them. The proctors will not let you sit for a quiz or an exam unless you are scheduled to take it at that time. You really should schedule your tests 2 or more days in advance. You can always unschedule and reschedule later on (as long as there are still seats available).

Getting Started:

1. Go to scheduling.math.isu.edu (or click on “Schedule a Test” in Hawkes).
2. Click on the “Create an Account” tab.
3. Fill in the required fields, and create account.

Note: Students with multiple accounts and/or non-ISU email will be deleted from the system.

Scheduling:

1. Select Test.
2. Select Test Schedule (there will only be one option so you can’t go wrong!)
3. Pick a day. Pick a time. Done!

Note: You will receive an email confirmation. It might show up in your spam email the first time. Make sure to approve the first time if it happens.

Note: If circumstances prevent you from taking a test that you scheduled or you have any problem related to scheduling, contact the course coordinator immediately at math1108@isu.edu.

Note: You can take the Final Exam at any time except closed week.

Important: Scheduling a quiz or exam holds a seat for you in the Testing Center and thereby reduces the number of seats available to others. If you cannot make it to a quiz or exam that you scheduled, you must unschedule or reschedule it before the session begins. Depending on the circumstances, you may receive a 0 on a quiz or a 10 point penalty on an exam if you do not show up for a quiz or exam that you scheduled.
