

BSRT Transfer Pathway – Quick Guide

For students with degrees from nationally accredited institutions

1

Apply to ISU

- Submit application + official transcripts
- Admitted as a pre-BSRT student

2

GENERAL EDUCATION (GEN ED) REVIEW

Associate of Science (AS)

- Petition to accept full degree
- Gen Ed may be fully satisfied

Associate of Applied Science (AAS)

- Petition to evaluate individual courses
- Submit course syllabus
- Courses reviewed individually

*Remaining Gen Ed courses must be completed alongside BSRT coursework

3

RT COURSEWORK REVIEW

- Petition to evaluate Respiratory Therapy (RT) coursework
- Reviewed by BSRT faculty

4

REVIEW RESULTS

You'll receive:

- Accepted credits
- Remaining requirements

*Timeline: A few weeks after all materials are submitted

5

APPLY TO THE BSRT PROGRAM

- Submit program application
- Admission is competitive

WHAT TO EXPECT

- Credit awarded based on course equivalency
- Not all credits may transfer
- Additional coursework may be required

TIPS FOR SUCCESS

- Submit syllabi early (AAS students)
- Ensure transcripts are official
- Stay in contact with your advisor
