Faculty Council Minutes from 03/01/2016
New Business:

YourFit- *Ken Moore*: Four Technical and Trade and Industrial programs are going to high schools on eight evenings to present their programs to parents and students. Statistics presented by INL showed high percentage of students did not know about the availability of these programs at ISU. Some concern was raised that if these statistics are correct then Tech Expo might not be serving the purpose it is meant to serve. Other concerns were non-compensation for the time to do these evening presentations.
