Dear College of Technology Student,

Congratulations on your decision to pursue your education at the Idaho State University College of Technology. On behalf of all faculty, staff, and administration, I want to take this opportunity to personally extend a warm welcome. The College of Technology is one of seven colleges on the ISU campus designed to meet the needs of students – like you.

I am pleased to see that you made the decision to join the largest, most comprehensive postsecondary technical institution in the state of Idaho. You now belong to a college that boasts an alumni base of more than 25,000. For more than 100 years, students have graduated from Idaho State University with the technical skills necessary to successfully enter the workforce. I am confident that you will also be well prepared by our faculty to pursue your passion and have an enjoyable lifetime career.

Amid the excitement of enrolling at ISU, you probably have many questions. This student handbook has been prepared for your use and contains the answers to many of your questions. If you would like additional information, please contact your faculty or Student Services directly. We are all here to help you succeed in your studies and stand prepared to assist with your concerns.

Once again, welcome to the College of Technology.

Go Bengals!

R. Scott Rasmussen
Dean
II. Program Introduction

This handbook is designed to provide information and serve as a resource for most questions and school situations you may encounter as a student in the Information Technology Systems program. The information provided in this handbook is meant to supplement that provided in the Idaho State University Bulletin and Official Student Code of Conduct.

All students are directly responsible to the instructors first. Details regarding program procedures will be covered and questions answered during orientation at the beginning of the program or as the need arises. Problems of any nature will be brought to the attention of the instructors and program coordinator. They will seek assistance for a student problem. If a student feels a need for conference with someone other than an instructor or the program coordinator, a meeting may be arranged with an advisor from the College of Technology Student Services at (208) 282-2622.

Program Administration

The Information Technology Systems program is operated by the College of Technology, Idaho State University. The program works in cooperation with the Idaho State Board for Professional Technical Education and is approved by the State Board of Education.

III. Fall 2020 Health & Wellness Plan

Idaho State University will resume full campus operations for the Fall 2020 semester, which will include in-person instruction, an adjustment to the fall academic calendar, and implementation of public health guidelines. Currently, the University is following State of Idaho guidelines to rebound to normal operations. Detailed information is available online and regularly updated at: isu.edu/coronavirus/

Fall 2020 Schedule

The University will adjust the Fall 2020 academic calendar to ensure that all face-to-face instruction has be completed by Tuesday, November 24, two days before Thanksgiving. The University will shorten the Thanksgiving Break to three days (Wednesday through Friday), and classes will meet on the Monday and Tuesday of Thanksgiving Week. Following Thanksgiving, the University will have one week of online final exams (November 30 – December 4). The start date for the fall semester will remain on Monday, August 17.

This adjustment to the calendar will allow the University to complete all face-to-face instruction before late fall, when projections in our neighboring states suggest greater prevalence of general illness and perhaps an increased threat from COVID-19. The change also supports student academic progress and ensures the University meets all federal and accreditation requirements.

**Note: Any deviations from this schedule will be given in advance by the instructors.**
Health and Safety

Adjustments have been made on campus to ensure health and safety. University officials are working with state and local public health officials to implement a number of recommendations from the Centers for Disease Controls. Classes are being moved into larger meeting places for increased social distancing, some class times have been changed to accommodate classroom availability, and some instruction will make use of hybrid in-person and online models.

For the Fall 2020 semester, all individuals should continue to:

- Engage in physical distancing of at least six feet.
- Wear face coverings in public places – including interactions within six feet or when indoors in common areas or classrooms.
- Stay home if sick or if someone in your household is sick.
- Practice good hand hygiene – wash hands regularly with soap and water.
- Do not shake hands, high-five, hug, etc.
- Cover coughs and sneezes.
- Disinfect surfaces and high-touch objects regularly.

Cloth Face Coverings

All members of our Bengal community have a shared responsibility in doing their part to protect one another, our families, and those who are medically vulnerable. All faculty, staff, students, and visitors are required and expected to wear face coverings for the Fall 2020 semester.

The CDC recommends that everyone wear cloth face coverings when leaving their homes, regardless of whether they have fever symptoms of COVID-19. This is because of evidence that people with COVID-19 can spread the disease, even when they don’t have any symptoms.

Cloth face coverings may prevent the person wearing the mask from spreading respiratory droplets when talking, sneezing, or coughing. Since people may spread the virus before symptoms start, or even if people never have symptoms, wearing a cloth face covering may protect others around you.

When using a cloth face covering, make sure:

- The mouth and nose are fully covered.
- The covering fits snugly against the sides of the face so there are no gaps.
• You do not have any difficulty breathing while wearing the cloth face covering.
• The cloth face covering can be tied or otherwise secured to prevent slipping.
• Wash your cloth face covering after each use in the washing machine or by hand using a bleach solution. Allow it to completely dry.
IV. Program Policies

Attendance

Every student is expected to attend class on a regular daily basis. Should a student be unable to attend for any reason, he/she is responsible for notifying the instructor by 8:00 a.m. The instructor’s phone number is 282-2205.

The specific attendance rules and policies for the Information Technology Systems program are as follows:

1. Students are expected to be in attendance each class session.
2. Students may have three unexcused absences. Each additional absence results in a 10% grade reduction per absence.
3. A tardy will be counted if a student arrives more than 15 minutes after class starting time. Two tardies will count as one absence.

NOTE: Employers are very interested in a student’s attendance and study habits because they reflect how he/she will perform on the job. Representatives from business and industry on the program’s advisory committee have asked that an attendance policy be established to develop good work habits.

Program Hours and Break Times

Students attend class six hours a day, Monday through Friday, with one hour for lunch. Classes are usually scheduled from 8:00 a.m. to 3:00 p.m. During summer session, all students attend classes from 7:30 a.m. to 2:00 p.m. with half hour lunch.

Grading Policy

GRADING SCALE:

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Percent</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>94.5-100</td>
</tr>
<tr>
<td>A-</td>
<td>91.5-94.49</td>
</tr>
<tr>
<td>B+</td>
<td>88.5-91.49</td>
</tr>
<tr>
<td>B</td>
<td>85.5-88.49</td>
</tr>
<tr>
<td>B-</td>
<td>82.5-85.49</td>
</tr>
<tr>
<td>C+</td>
<td>79.5-82.49</td>
</tr>
<tr>
<td>C</td>
<td>76.5-79.49</td>
</tr>
</tbody>
</table>
Courses listed will be taught in sequential blocks by semester/session. A student must maintain a minimum of 73.5 percent (C-).

**Safety Rules**

Safety guidelines are to be observed at all times. Students must be able to lift 50 pounds. Students must follow safety instructions when operating and servicing equipment. All students need to maintain their electrical tools and hand tools.

**Electronic Devices**

Cell phone ringing and phone conversations are disruptive to the learning environment. Therefore, cell phone use is not permitted in the ITS program classrooms and laboratories. Cell phones should never be set to ring audibly while in an area of study. If cell phones are carried by students, they should only be set to vibrate and be kept on the student’s person or in a backpack or other personal storage area. Phones set to vibrate should never be left on desk tops to ring and should never be left unattended in the laboratory or classroom.

Students should avoid taking personal calls during class time but most importantly, it is disrespectful to the faculty and other students to take a personal phone call during lecture or instruction. It is understandable that emergencies take place in every student’s life and exceptions can be given in cases that are of the appropriate importance. When it is necessary to take a phone call, please do not answer your phone until you are out of the classroom or laboratory.

Cell phones should be stored in a locker or backpack (away from the testing area) during a quiz or exam.

When a student is found in violation of the cell phone policy the following steps will be taken:

- **First occurrence**: Loss of one participation point (one percent of the overall grade in the course) in the appropriate course.
- Second occurrence: Loss of two additional participation points (two percent of the overall grade in the course), as well as a formal letter of warning to be included in the student’s program and college file.
- Third occurrence: All remaining participation points will be lost and a second letter will be filed.
- Fourth occurrence: A failing grade in the appropriate course will be given.

This policy applies to each course individually and to each session separately. Penalties do not transfer between courses or sessions.

Dress Code

Students should be clean and maintain proper personal hygiene. Attire should be comparable to that which is appropriate for the current Information Technology Systems Industry. No shorts, no tank tops, and no open-toed shoes are permitted in any program area. If a student violates this policy, they will be asked to leave the program area and change into clothes which conform with the policy before returning to the program area.

Code of Conduct

Stealing, Cheating, Dishonesty, and other violations of the student code of conduct will be handled on an individual basis. Students should familiarize themselves with the ASISU Student Code Handbook and Calendar available in Student Services.

Using, possessing, or being under the influence of illicit drugs or alcoholic beverages during school hours is prohibited.

COMPUTER MISUSE

Inappropriate use of the computer is considered computer misuse. Any use of the computer must be related to class instruction only. The supervisor of each lab will determine what is deemed “inappropriate use” for their particular lab. For specific computer lab policies, see individual lab instructors. Inappropriate use may result in denial of computer lab access at the College of Technology. Refer to the Student Handbook, Student Code of Conduct section, for additional information.

GENERAL DISCLAIMER

Licensure, certification, and/or employment applications related to some degree programs require students to disclose any history of criminal prosecution, which may include the student’s driving record. Students who have a criminal history are strongly encouraged to consult with the career services office before enrolling in the program.
encouraged to contact the licensing agency or meet with the coordinator of the program they are interested in, prior to beginning classes, to discuss potential impediments to licensure, certification, or employment.

Internships

While on an internship, Idaho State University Student Handbook guidelines and Student Code of Conduct policies are in effect. The drug and alcohol policies for the company utilizing the program intern are also enforced.

Program Objectives

A. Objectives:
   1. To develop entry-level skills in repairing and servicing computer equipment.
   2. To develop entry-level skills in setup and maintenance of computer networks.

B. Outcomes:
   1. Demonstrate the proper operation of computer equipment.
   2. Demonstrate safe and appropriate use of basic hand tools and test equipment.
   3. Demonstrate the proper setup and configuration of computer and computer networks.
   4. Demonstrate safe and appropriate use of basic hand tools and test equipment.

Disability Services

MISSION STATEMENT

The mission of Disability Services (DS) is to increase equal opportunities and equal access to all programs and services sponsored or funded by Idaho State University. DS is dedicated to creating an accessible environment for students, employees, and community members with disabilities. In achieving this, DS:

Works collaboratively with University Partners to foster a welcoming, diverse, and inclusive University community.
Collaborates with and empowers individuals who have documented disabilities by working together proactively to determine reasonable accommodation(s).

Promotes a culture of self-advocacy, responsibility, and agency.

Ensures compliance with the Americans with Disabilities Act Amendments Act (ADAAA) and other current legislation.

Readily responds to grievances and advances inclusion through the removal of identified informational, physical, and/or attitudinal barriers.

Advocates for Universal Design (UD) as a crucial framework to support the diverse needs of students, faculty, staff, and community members.

Develops partnerships with external community members/groups to support the advancement of equity and inclusion at the local, state, and national levels.

Provides institution-wide advisement, consultation, and training on disability-related topics, including but not limited to: legal and regulatory compliance and universal design.

Office of Equity and Inclusion

MISSION STATEMENT

The Office of Equity & Inclusion is committed to creating and maintaining a safe and respectful learning and working environment for all staff and students at Idaho State University by providing leadership, expertise and education in our mission to create an environment where all members of the ISU community can thrive. Our webpage will detail the specifics of each of our areas of service to the campus community including:
• EEO policy and procedure
• Civil Rights including harassment and discrimination
• Title IX compliance
• Gender Resource Center
• Diversity Resource Center
• Training, workshops and events

Our helpful and friendly staff are available to work with any member of the university community. We look forward to serving you.

V. College of Technology Policies

Intoxicants Policy

Any instructor who observes behavior which suggest that a student may be under the influence or detects the odor of an intoxicant of a student will take the following actions:

1. The instructor will notify the student that they will not be allowed in the classroom or lab.
2. Public Safety should be contacted to escort the student to a safe place.
3. The student will meet with the Director of Student Services the following day to discuss which steps should be taken.
4. The Director will communicate with the Office of Student Affairs regarding the violation.
5. The Director will contact the instructor and Department Chair summarizing any outcomes.

This policy does not supersede other laws or university student conduct policies pertaining to alcohol or drug possession, consumption or delivery.

Dismissal Policy

A student may be dismissed from a College of Technology program if the student fails to meet the academic and/or nonacademic continuation standards of the program/department including unprofessional/unethical behaviors and unsafe practices, or if the student is not making satisfactory progress in the program. Prior to making a decision of dismissing a student, the faculty of the program will meet with the student for a disciplinary review in order to give the student due process which includes a student’s right to be adequately notified of charges and the opportunity to be heard.

Disciplinary Procedure

1. The faculty will notify the student privately of the incident(s) that have led to a disciplinary review and schedule a meeting time for the review. The purpose of a disciplinary review is to discuss the facts of the incident(s), to hear the student’s perspective, and if a violation has occurred, to determine an appropriate level of discipline which may lead to dismissal.
2. The meeting should be scheduled as soon as possible after the incident(s) occurred.
3. The student should refrain from attending any clinical, lab, externship, etc. that may threaten or pose a danger to the health, safety or welfare of any individual. After the disciplinary review, the faculty should determine what sanction to impose. In determining what sanction to impose, mitigating and aggravating factors may be considered, such as the individual’s prior disciplinary record, the nature of the offense, the severity of the damage, injury or harm resulting from the violation, and any restitution made.

NOTIFICATION PROCEDURES

1. The student must be notified in writing of the outcome of the disciplinary review and if sanctions will be imposed. If the student is dismissed, the letter must be sent by certified mail, return receipt requested.
2. The letter should indicate the incident(s) that occurred and the decision made regarding the incident(s). The student should be notified in the document that he or she has the right of appeal according to the Idaho State University Student Handbook. The student should be given a copy of the ISU Student Handbook or notified that it is available online.

CHANNELS OF REDRESS

An aggrieved student may:

1. Present any unresolved issues to the Department Chairperson. If the Department Chairperson is named in the complaint, the Dean of the College where the alleged infraction occurred shall appoint another member of the college to act in the Chairperson role for the appeals process.
2. Present any unresolved issues in a formal hearing before the Dean of the College involved. In the case of dismissal from a program, that is the college in which the program resides; for an appeal of a course grade, it is the college in which the course was offered. At this hearing, parties shall submit written charges, answers, and arguments to the Dean. The Dean shall preserve these documents for use in later appeals to a Scholastic Appeals Board, if such an appeal becomes necessary. Only written charges, answers and arguments presented at the Dean's formal hearing will be subject to review by a Scholastic Appeals Board. The Deans shall be charged with preserving all tangible evidence and all written charges, answers, and arguments submitted at hearing before them. The student must have specifically demonstrated at the formal hearing before the Dean how the alleged infraction led to his or her dismissal from the program or adversely affected his or
her final grade in order to pursue an appeal to a Scholastic Appeals Board. The Dean must notify, in writing, the student and faculty member of his or her decision within one week following the formal hearing. The Dean shall have the authority to direct the Registrar to change a student’s grade.

3. And Department Chairperson or College Dean may elect to utilize an internal committee to assist in making a decision on academic appeals at the departmental and/or college levels. Department Chairs and Deans may interview the student and/or instructor, or conduct an additional investigation deemed appropriate to help in the decision-making process. Nothing contained in these procedures shall act to enlarge or restrict the existing authority, if any, of any Dean or the Provost and Vice President for Academic Affairs to take any action, including the changing of student grades or reinstating a student, outside of the appeals process described herein.

PROCEDURE FOR AN APPEAL TO SCHOLASTIC APPEALS BOARD

1. If the student wants to appeal the decision reached in the formal hearing, he/she must obtain a scholastic appeal petition form from the Office of Student Affairs, and return it there when completed. The completed petition shall include a concise description of the complaint, the signature of the student instituting the petition, and the signatures and comments of the faculty member, Department Chairperson, if any, and the Dean involved, if said persons are still available.

2. Copies of all written charges, answers, and arguments and all tangible evidence presented at the Dean’s formal hearing shall be made available to the student to attach to the original petition submitted to the Office of Student Affairs. The petition and additional materials will be secured in the office.

3. A scholastic appeal petition must be initiated before the end of the semester following the formal hearing. The petition is initiated when the student formally presents his or her complaint to the Office of Student Affairs and requests a scholastic appeals petition.

4. The Office of Student Affairs will then notify the Chairperson of the Academic Standards Council of the need to consider the petition. The Chairperson will then choose a Chair for the Scholastic Appeals Board, and the rest of the Board will be constituted.
The following policies fall under the guidance of the Idaho State University Student Handbook.

For more information on each topic, please find the policy and descriptions using the handbook link.

VIII. College of Technology
Resources and Services

Section I: Services for Students

Student Services: This office is located in two locations, the main floor of the Roy F. Christensen (RFC) Complex, Room 184, and the William M. and Karin A. Eames Advanced Technical Education and Innovations (Eames) Complex, Room 102. Student Services assists students with specific information about the programs at the College of Technology. Academic advisors are available to give students assistance with admissions, class and schedule advisement, academic resources, and specific information pertaining to a student’s educational goals.

Hours are 7:30 am to 5:00 pm Monday through Friday. Appointments can be made by calling (208) 282-2622. Appointments are recommended but are not required. Tours of the programs are available by appointment and can be set up by calling (208) 282-2800.

isu.edu/tech/student-services

Tutoring Assistance: Students who are experiencing difficulties with their program instruction or classroom assignments may receive assistance. The student’s instructor should be contacted first, as many of the training programs have ‘peer tutors’ available who are familiar with the required curriculum and assignments.

Note: It is important to request assistance as EARLY in the semester as possible! At the point a student recognizes he/she is having difficulty, help should be sought immediately! Contact the TAP Center, (Tutoring, Academic support, Peer mentoring), located in Room 162 of the RFC Complex. Or telephone at (208) 282-3208 for an appointment to discuss specific tutoring needs.

isu.edu/tech/tutoring

The Center for New Directions: Located within the RFC Complex on the third floor. The Center’s telephone number is (208) 282-2484. Support programs are available at no cost for men and women who are interested in entering/re-entering the job market due to issues which might include: divorce; separation; death; or disability of a spouse. Services are available on job seeking skills, career information, self-esteem, self-confidence
building, and personal counseling. The Center also provides a limited number of scholarships for single parents and for women and men interested in pursuing 'not-traditional' fields of training.

[isu.edu/cnd]

**Section II: Registration and Fee Collection Policy**

- All students who are enrolled in semester-based programs must pay their tuition by the Friday before classes begin to avoid a $50 late fee. For tuition payment information, login to the ISU BengalWeb and go to the Finances tab.
- Students who are enrolled only in the eight-week classes (early and late), must pay tuition by the first day of class.

**Note:** It is the individual student’s responsibility, regardless of funding source, to see that their tuition is paid on time and that they are officially enrolled at ISU. Students who do not pay tuition prior to the deadline may be disenrolled.

**Section III: Financing Your Education**

Students attending the ISU College of Technology can apply for federal financial aid by submitting a Free Application for Federal Student Aid (FAFSA) form each year they are enrolled at the University. FAFSA applications are available on the web at:

[studentaid.gov/fafsa]

It is strongly recommended that students apply early. Keep the Financial Aid office notified of any changes in student status such as address change, marriage, etc.

**Note:** Students who leave school prior to successful completion may have to repay federal financial aid received. Call the ISU Financial Aid office immediately if you plan to withdraw from school, (208) 282-2756. The website for financial aid is:

[isu.edu/financialaid]

Numerous scholarships are available to College of Technology students. The ISU Scholarship Department website lists those scholarships through the Bengal Online Scholarship System (BOSS).

The most common scholarships are the Associated Students of ISU (ASISU) Need and Scholastic awards. Funds for these scholarships come from a portion of the registration
fees each student pays. Many scholarships are donated by business/industry, organizations, or individuals and have specific criteria, which must be met.

isu.edu/scholarships

Section IV: Short-Term Loans

The Short-Term loan program is funded by Friends of Idaho State University. It is limited to loans for books and educational expenses. The maximum amount of each loan is $500. The loans are issued for up to 90 days. They must be repaid upon receipt of financial aid, 90 days after issue, or the last day of the semester, whichever arrives first. Your ISU internal credit rating will be reviewed prior to loan approval. Failure to pay this loan as agreed will adversely affect the credit rating used internally by ISU.

isu.edu/short-term-loans

Section V: Traffic and Parking

Note: Please refer to the ISU Parking web address at:

isu.edu/parking

Every motor vehicle on the ISU campus must be registered and display an appropriate ISU decal. Parking permits are available at the ISU Traffic Office located at the corner of South 5th and Humboldt Street, telephone (208) 282-2625.

Cost:

- General Lot: $100
- Reserved Lot: $300
- Reduced Fee: $50 (at Holt Arena only)

Students may park only in the area their parking decal designates. Students at the College of Technology may not park in the Cosmetology Patron parking spaces. The parking meters at the RFC Complex are reserved for visitors and new applicants inquiring about school. Students are NOT PERMITTED to park in metered spaces. Students should be aware of the ISU towing policy. Any vehicle will be towed at the owner’s expense when it accumulates $50 in citations.

Any traffic tickets resulting in fines owed to the University must be paid or student’s transcripts, certificates, and/or degrees will not be released upon completion of their training program. In addition, registration for the next term will not be permitted until the
fines and other financial obligations are paid or proper arrangements are made by the student.

Section VI: Transportation

ISU Commuter Express: Idaho State University Commuter Express is a system designed to assist commuting students enrolled at ISU with a source of transportation to and from the campus. Buses run on a daily basis (Monday through Friday) and pick up students at various locations in outlying areas of the region including Idaho Falls and Blackfoot. The bus schedule operates from the first day of each semester and continues until the last day of final examination week. For information on costs and schedule, telephone (208) 282-4460, or go to:

isu.edu/transportation/commuter-express

Bengal Shuttle: Pocatello Regional Transit (PRT) provides a shuttle bus service on campus from Holt Arena to various drop off points on a 10-minute basis during the school day and is free of charge. PRT provides transportation services within the metropolitan Pocatello vicinity. Student discounts are available. For information on schedule and drop off points, go to:

isu.edu/parking/bengal-shuttle
IX. Handbook Signature Form & Photography Consent Release

HANDBOOK SIGNATURE FORM

X. Computer Usage Policy

COMPUTER USAGE POLICY

Person(s) using any of the ISU computing resources for personal gain, violation of security/privacy or who otherwise compromise the integrity of the hardware and/or software shall be prosecuted to the full extent of the law.

Legitimate use of a computer or computer network does not extend to whatever you are capable of doing with it. Although some rules are built into the system itself, these restrictions cannot limit completely what you can do and can see. In any event, you are responsible for your actions whether or not rules are built in, and whether or not you can circumvent them.

Inappropriate use of the computer is considered computer misuse. The supervisor of each lab will determine what deemed “inappropriate use” for their particular lab. For specific computer lab policies, see individual lab instructors. Inappropriate use may result in denial of computer lab access at the College of Technology.

The misuse of this computing account, or use of an account belonging to another, may result in the loss of your computer privileges. Where computing is required to complete course work this may effectively require transfer to a non-computer related program and/or hinder your pursuit of a degree. Examples of misuse are: sharing your personal account with another individual, using unauthorized passwords, use for financial gain or business purposes, sending offensive electronic mail or internet correspondence, chain letter, or other such correspondence, unauthorized transfer of computer programs or data, attempts to circumvent established procedures, computer security breach or attempts to break security.

I have read the entire student computing contract. I acknowledge and agree to use the ISU computing resources solely for University instructional, administrative, or research activities in accordance with above policy. I further acknowledge that any abuse of the above privilege may result in loss of computing privileges whether or not such privileges are necessary for continued enrollment in my present course of study.
