Dear College of Technology Student,

Congratulations on your decision to pursue your education at the Idaho State University College of Technology. On behalf of all faculty, staff, and administration, I want to take this opportunity to personally extend a warm welcome. The College of Technology is one of seven colleges on the ISU campus designed to meet the needs of students—like you.

I am pleased to see that you made the decision to join the largest, most comprehensive postsecondary technical institution in the state of Idaho. You now belong to a college that boasts an alumni base of more than 25,000. For more than 100 years, students have graduated from Idaho State University with the technical skills necessary to successfully enter the workforce. I am confident that you will also be well prepared by our faculty to pursue your passion and have an enjoyable lifetime career.

Amid the excitement of enrolling at ISU, you probably have many questions. This student handbook has been prepared for your use and contains the answers to many of your questions. If you would like additional information, please contact your faculty or Student Services directly. We are all here to help you succeed in your studies and stand prepared to assist with your concerns.

Once again, welcome to the College of Technology.

Go Bengals!

R. Scott Rasmussen
Dean
II.
PROGRAM INTRODUCTION

This handbook is designed to provide information and serve as a resource for most questions and school situations you may encounter as a student in the Idaho State University College of Technology Cosmetology program. The information provided in this handbook is meant to supplement that provided in the ISU Student Handbook. If you have any questions regarding the program, clarify with an instructor and/or your ISU Cosmetology Student Handbook.

PROGRAM ADMINISTRATION

The Cosmetology program is operated by the Idaho State University College of Technology. The program works in cooperation with the Idaho State Division of Professional-Technical Education and is approved by the State Board of Education and the Idaho State Board of Cosmetology.

Dean, College of Technology
Department Chair
R. Scott Rasmussen

Program Coordinator
Teena Rhodes
Casie Jensen
Phoebe Greene
Heather Harris
Gara Armstrong
Regina Terrell

ProgramInstructors

All students are directly responsible to the Cosmetology instructors. Program procedures are covered and questions are answered during an orientation at the beginning of the program and as the need arises. Problems of any nature should first be brought to the attention of the instructors, who will seek assistance for a student problem. If a student would like to consult with someone other than an instructor, a meeting may be arranged with an advisor from College of Technology Student Services (208) 282-2622. Students may also contact the Health Occupations Department Chair.

PROGRAM ROLE AND MISSION

The Cosmetology program strives to provide the student with the best instruction and supervision possible, prepare the student to meet and exceed cosmetology industry standards for entry-level skills, and create a pleasant and positive learning environment for all students to grow and become the very best that they can be.

GENERAL PROGRAM INFORMATION

Cosmetology Courses/Hours:
The Idaho State Board of Cosmetology requires that students complete a minimum of 2,000 hours of instruction to qualify for licensure by examination. These hours are attainable by regular attendance in this 3½-semester program. If those hours are not completed by the end of the 3½-semester curriculum, whether or not classes are passed or are complete, the student will have to continue to attend school to attain the missing hours.

Students MUST have funding for the “1/2” semester that falls in the first 8 weeks of summer. It is encouraged that the student secure this funding with the first semesters financial aid. Be it a financial aid loan that is put away and saved for the ½ semester or through other means.

Because the returning student will be off-track, the student may not be able to participate in or expect the same kind of experiences as when the student attended the first 3½ semesters. A work station may not be available for the student to perform live work with clients. The extra hours may be made up by performing duties including, but not limited to, assisting other students with clients, working at the front desk, studying for licensing exams, and working in the dispensary.

Students will also be required to pay tuition for the number of hours to be made up. Students shall register for one credit for each 40 hours, or fraction thereof, that need to be made up. Because students will have a different experience during make-up hours, and because making up hours requires an extra expense, students should strive to complete the 2,000 hour requirement during the regular 3½-semester curriculum.
NAIL TECHNOLOGY

Nail Technology is a separate option within the Cosmetology program and is offered only in the summer. Students enrolled in the Nail Technology option who also wish to complete the Cosmetology program may receive a 250-hour credit toward the 2,000-hour requirement for Cosmetology licensure. Students who elect to complete only the Cosmetology program receive a reduced number of hours of Nail Technology instruction to fulfill State Board of Cosmetology requirements.

PROGRAM HOURS AND BREAK TIMES

The Cosmetology program hours for fall and spring semesters are Monday through Friday, 8:00 a.m. to 5:00 p.m., and for summer session are Monday through Friday 7:30 a.m. to 4:00 p.m. The Nail Technology option hours are Monday through Friday, 7:30 a.m. to 4:30 p.m. Students are allowed two fifteen-minute breaks (one in the morning and one in the afternoon) and a daily lunch break of one hour. During summer session, students are permitted a thirty-minute lunch break. The afternoon of the first Monday of each month will be faculty/staff in-service and students will not take appointments. The faculty/staff in-service schedule is subject to change.

TEXTBOOKS

Cosmetology and Nail Technology text books are included in student kits. Student kits are purchased through the program and must be paid for on/or before the first Friday of their first semester. If the student fails to pay for their kit by that first Friday of their semester, the kit will not be given to the student. The kit is essential to all we do in the class. The student will not be allowed to attend class until the kit is paid for.

GRADING

Records of progress are maintained throughout the semester in each student’s individual file. Final grades are reissued at the end of the semester and recorded on the student’s university transcript. Mid-semester grades are not reported unless a grade of “D” or “F” is given, which is then maintained as a separate record by the ISU Registrar. A student’s final grade may be based on the following categories of assessment: examinations, reports, quizzes, assignments, application on mannequins, class projects, and class participation. The percentage of grade assigned to each category will vary from class to class depending on the individual instructor’s requirements.

The following grading system will be applied in Cosmetology courses:

- **A** = 93-100%
- **A-** = 90-92%
- **B+** = 87-89%
- **B** = 83-86%
- **B-** = 80-82%
- **C+** = 77-79%
- **C** = 73-76%
- **C-** = 70-72%
- **D+** = 67-69%
- **D** = 63-66%
- **D-** = 60-62%
- **F** = below 60%

To continue to the next semester, a student must earn a grade of “C” or better in each course taken and pass competency exams at 73% or better. Practical and clinic floor grades are based on the student’s monthly grade/activities/operations sheet (the Form R-40 required by the State of Idaho Cosmetology Board).
COMPETENCY EXAMINATIONS

BASICS CLASS:
You are required to successfully pass each practical subject you are tested on. Students must score a minimum of 73% before progressing in the curriculum. Only one retake of these examinations will be allowed on each subject. If the student does not score a minimum of 73%, he or she must repeat the semester or course.

JUNIOR CLASS:
Students are required to successfully complete two competency examinations, which include both theoretical and practical components. Students must score a minimum of 73% on these examinations before progressing in the curriculum. Only one retake of these examinations will be allowed. If the student does not score a minimum of 73%, he or she must repeat the semester or course. If a student has a written medical excuse or a family illness or death, the student will be permitted to take the examination with proper documentation.

SENIOR CLASS:
Students are required to take two mandatory mock board exams simulating the licensure examination administered by the State of Idaho Board of Cosmetology. The mock board exams include written theory and application components. Students must score a minimum of 73% on each component before progressing in the curriculum. One retake of the written theory component only will be allowed; no retake of the application component is allowed. If the student does not score a minimum of 73%, he or she must repeat the semester or course. If a student has a written medical excuse or a family illness or death, the student will be permitted to take the examination with proper documentation.

LIVE-WORK SERVICES:
A critical component of the Cosmetology curriculum is live work performed by the student on program clientele. Because live work is part of the educational process, a student’s work will be critiqued while he or she is providing client services, which may require that the work be corrected in front of clients. Faculty will have final authority in determining what client services will be provided by the student.

STUDENT COMPETITION

Each year in April the Cosmetology Program sponsors a hair and fashion show called EXTRAVAGNAZA. All students are required to participate in submitting a model for the show. This is graded on participation.

STUDENT PROPERTY

Lockers are provided for students to store personal property. Students must supply their own lock and are responsible for any articles they place in the area. They are responsible for keeping their locker secured and for keeping the area neat at all times. In addition, students should make sure all personal tools and equipment used in the program area and on the clinic floor are clearly identified as belonging to the student.

MESSAGE BOARD

A message board, located in the main hall by the dryer area, is provided for the distribution of information to the students. It is the student’s responsibility to check the message board regularly for any messages, information, or announcements.

STUDENT PARKING

Students may purchase a parking permit for one of the lots on campus. Parking is not allowed in the Cosmetology Patron Parking area and will be subject to a $30.00 fine. If you are caught parking in the Cosmetology Patron Parking area, you will receive a 10 point grade cut.
III.
PROGRAM POLICIES

Students are expected to comply with the Cosmetology program policies set forth in the following sections, which apply to all components of the program.

POSITIVE WORK ETHIC AND ATTITUDE

Work ethic and attitude are critical components to success as a cosmetologist. Upon entering the Cosmetology program, all students should recognize that they are making a commitment to themselves and to others to be in class every day, on time; to be prepared with assignments; and to be ready to actively participate in classroom and lab floor activities. Students are expected to maintain a professional manner at all times while on the clinic floor and in the classroom and to demonstrate a positive work ethic toward faculty, staff, students, and clientele.

A portion of the student’s grade in each course is based on work ethic criteria that are defined in this handbook and course syllabi.

ATTENDANCE

Attendance is critical to a student’s success in the Cosmetology program and is required in all classes. Absences, tardiness, and leaving early will be penalized with grade reductions. Specific attendance rules are included in course syllabi, and instructors will keep attendance records for their courses. If a student must be absent for any reason, he or she must call the Cosmetology program area and leave a message on the day of the absence, before 7:45 a.m. during fall and spring semester and before 7:15 a.m. during summer session. It is the student’s responsibility to get the information and/or assignments he or she may have missed due to absence, tardiness, or leaving early and to reschedule his or her clientele in the event of absence, tardiness, or leaving early. Make-up work and late assignments are addressed by each class instructor. If a situation exists beyond the student’s control (e.g., medical or other hardship), the student should contact an instructor immediately and seek the appropriate withdrawal if necessary.

If a student is repeatedly absent from school, he or she will not be permitted to book appointments and provide services to clients or have personal services done for themselves. Once this occurs, the student will be required to work on mannequins to fulfill his or her FAMR-40 requirements. Removal from the appointment books is discretionary with the instructors.

If a student misses two (2) days in one month (this will also include any accumulation of a series of missed hours totaling sixteen [16] hours in that month) without valid documentation, the student will not be allowed to have any type of service performed on them the next month. If a student misses five (5) days or more in a month, then the student will not be allowed to have any type of service performed on them for two months.

CLASSROOM PERFORMANCE

When students attend class, they must comply with the following rules of conduct: actively listen, follow directions, participate in activities the instructor assigns for the class, keep alert and do not sleep, be quiet and courteous to the instructor and to fellow students, and refrain from private conversation while class is in progress.

STUDENT DRESS CODE

The Cosmetology program area is a professional setting, and the student’s total look should conform to that standard. All clothing worn in the program area must be clean and in good repair. If a student does not look appropriate, he or she will be sent home at the discretion of the instructor. If a student is unsure whether his or her attire will meet the student dress code, the student should ask for input from an instructor or not wear that particular outfit or item.

The dress code is black pant or black capris (below the knee) [no jeans, leggings, scrubs, sweats or holes in the pants] any color shirt with a sleeve that covers armpits, shoulders, and chest. No keyhole sleeves. Shoes of your choice. When on the salon floor you will wear your black vest or black apron. Clothing must be clean and pressed. Personal hygiene is a MUST. Body order will send you home to shower and you will lose the hours on your
timesheet. COME WITH MAKEUP AND HAIR DONE. You will be sent home to do it and lose the hours. You are representing the beauty industry. This will result in a 10pt. reduction off your work ethic grade for each infraction.

FOR THE CLASSROOM AND LAB FLOOR:

Pants:
- Long black pants or capris (must fall at the bottom of the knee)
- NO JEANS, LEGGINS SWEATS OR SCRUBBS

Dresses or skirts are not allowed.

Tops:
- Poloshirts, blouses, nice tee shirts
- Must have a sleeve that covers the arm pits and comes over the shoulder. NO KEY HOLE SLEEVEs
- Must cover your cleavage and belly
- Cutting vest and/or apron must be black and must be worn when on the lab floor (Cutting vest comes in your kit)
- Name tag (comes in your kit)

Shoes:
- Sandals, tennis shoes, dress shoes or boots
- No shoeless (barefooted) students are permitted in the program area
- Think comfort and safety. You may be on your feet up to seven hours a day

Hats:
- No hats of any kind allowed on the lab floor. Except on Bengal Wednesday. At that time an ISU baseball cap may be worn

If you are sent home to change your clothes remember you will not receive hours you are not here.

FOR THE RECEPTION DESK:

Students must dress in professional attire, which may include skirts, dresses, and fashionable shoes (open or closed-toe and sandals).

GENERAL RULES FOR THE PROGRAM AREA AND CLINIC FLOOR FOR PROFESSIONAL BEHAVIOR

- Students are to maintain a respectful and hardworking attitude while attending the Cosmetology Program.
- Students are NOT allowed in the faculty or staff offices. Unless invited by the faculty or staff member.
- NO answering phone calls when the client is in the chair. If it is an emergency family and friends may call the front desk at 208-282-2866.
- Students will not be allowed to lounge, sleep, or prop feet up while at their station and in the chair.
- Playing and talking on the phone will not be tolerated on the lab floor.
- Students must complete Form R-40 services daily and have them checked by an instructor. Instructors will be available to sign the student’s Form R-40 after 4:45 p.m. during fall and spring semesters and after 3:45 p.m. during summer session.
- All discussions in the program area should be kept on a professional level. Students should avoid engaging in topics of conversation that may be deemed inappropriate or offensive to their students, faculty, and staff, including but not limited to religious beliefs, political affiliations, personal relationships, and similar subjects.
- Vulgar language, racist or ethnic jokes, sexual innuendoes, and similar conversation are prohibited in the program area.
- Students must clean up after themselves in the hallways and foyer.
- Students should keep their voices down when in the hallways and foyer, because there are other programs in session.
- Children and visitors are not allowed in the program area unless they have an appointment.
- No cell phone usage is permitted in the program area (including the clinic floor). If a student repeatedly violates this rule, an instructor may, at his or her discretion, confiscate the student’s cell phone for the period of time the student is in the program area or on the clinic floor. The cellphone will be returned when the student leaves the program area for a break, lunch, or at the end of the day.
- If a student disagrees with faculty or staff on a matter, the student should arrange to discuss it off the floor and away from the clientele. Public confrontations are not professional.
- Breaks should be taken off the clinic floor. Idly sitting at the
stations does not reflect a professional work ethic to clientele.

- Stations and chairs (hydraulic, shampoo, or dryer) are expensive items, and students should treat them with respect. Do not put feet on furniture.

CLIENT SERVICES:
- Students must ensure all work done on clinic floor is checked by an instructor and that all services are charged.
- Students should not interrupt while an instructor is with another student or client. However, if a chemical service must be checked or if there is an emergency, students should let an instructor know immediately.
- Chemical records must be completed for each chemical service.
- Students should not leave a client at the shampoo bowl unattended.
- Students should assist clients with coats or jackets at the front desk; clients should not take either to the lab floor.
- Students may schedule appointments and assist clientele with retail purchases, if they have received training in these areas by program staff.
- Only products from a professional product line may be displayed on station tops.

SAFETY AND SANITATION:
- Students must keep their station area clean and organized, which may require cleaning after each client. Floor around the student chair must be swept and cleaned up of any hair residue. The client should also be cleaned up of any hair residue, face, cape, neck, and arms. BEFORE an instructor is asked to come and check the services performed. If the client needs more cutting after being checked, by instructor, the client and floor need to be clean of all hair residue BEFORE the client leaves the chair.
- No food or drink is allowed at a student station (except candy kept in a closed container and a bottled water). Small purses, wallets, and day planners may be locked in stations for security, if they are placed inside a sealed, labeled container as required by State Cosmetology law. All other personal items must be stored in the student lockers.
- Students may use the work area of empty stations but must clean them before leaving at the end of the day. Empty stations are not additional storage units, however, and personal belongings should not be kept there. Please keep chairs at empty stations pushed completely in for safety and space.
- The barbicide jar must be used and maintained; combs cannot be stored in the barbicide jar.
- Students must clean hair out of brushes.
- Students should remove their own perm rods from shampoo bowls and clean the area after they use it. Rods should be rinsed thoroughly.

MISCELLANEOUS:
- Students should take care to protect station surfaces from products, especially those that may stain or degrade the surface.
- Students must check out with the front desk when they leave the program area. They must also check appointments before leaving. Failure to do so will result in a grade reduction.
- For personal services, students must check with their floor instructor and pay for product before the service is done.

CO-CURRICULAR ACTIVITIES DURING SCHOOL HOURS

At times, a student will have the opportunity to participate in co-curricular activities that count toward the 2,000 hour instruction requirement. To receive credit for hours, the student must obtain the approval of a Cosmetology instructor before attending the co-curricular activity. The instructor may take into consideration the student’s attendance and grades in the Cosmetology program in approving hours for a co-curricular activity. If the student fails to obtain an instructor’s pre-approval of a co-curricular activity, the time in attendance at the activity will not count toward fulfilling the student’s hours, but will be treated as an absence.

When attending a co-curricular activity, a student must check in with the person designated by the Cosmetology program to obtain written verification of the number of hours attended by the student, which verification must be signed by the designated person and submitted to the instructor. Students should not unilaterally arrange classes or workshops with supply houses, individuals, etc., but should request that an instructor evaluate the activity and determine whether to schedule it.
CHEATING, STEALING, AND DISHONESTY

Cheating, stealing, and dishonesty violate the ISU Student Conduct Code; any incidents will be handled on an individual basis. Students should familiarize themselves with the ISU Student Handbook available in hard copy at the College of Technology Student Services office or online at isu.edu/studenta/handbook.pdf.

PUBLIC HEALTH STANDARDS AND PROCEDURES

Students are expected to follow the public health standards and policies in effect within the Cosmetology program.

Students who are pregnant are encouraged to check with a physician concerning safety precautions that may be advisable due to the chemicals used in the Cosmetology program.

AIDS STATEMENT POLICY/COMMUNICABLE DISEASES

The Cosmetology program recommends the use of universal precautions in the handling of or exposure to blood and body fluids. The precautions outlined below must be followed when there is a chance of exposure to the blood and/or body fluids of clients:

• If there are any open sores and/or lesions, student will glove- up and seek a determination by the clinic floor instructor whether or not the student can proceed with the service.
• Hands should be washed before and after contact with each client— even when gloves have been used. If hands come in contact with blood, body fluids, or human tissues, the hands should immediately be washed with soap and water.
• Sharp objects (razor blades, nippers, cuticle scissors, etc.) should be handled so as to prevent accidental cuts or punctures. If an accidental cut or puncture is inflicted, disinfection procedures should be followed using barbicide, which procedures have been approved under Idaho Cosmetology Law. Any other precaution may include the use of a 1:10 dilution of bleach.
• The use of a straight edge razor blade is prohibited; an electric clipper will be used for removal of superfluous hair on male and female clients.
• In case of an accident, notify the floor instructor who will then call ISU Public Safety, (208)282-2515, to file an accident report.

1. If a blood spill occurs, the following steps must be followed:
   • Supply injured party with a bandage if necessary and liquid spray styptic/antiseptic.
   • Double bag blood-soiled (contaminated) articles and label with red or orange bio-hazard warning.

2. If an injury or cut occurs, the following steps must be followed:

   STUDENT INJURY OR CUT

   • STOP service and clean injured area.
   • APPLY antiseptic and/or liquid or spray styptic as necessary (see NOTE).
   • BANDAGE (Band-Aid) injury with adhesive dressing.
   • COVER with finger guard or glove as appropriate.
   • CLEAN model or station as necessary.
   • DOUBLEBAG and dispose of all contaminated objects. Clean hands with antimicrobial cleanser.
   • RETURN to service.

   CLIENT/MODEL INJURY OR CUT

   • STOP service.
   • GLOVE hands of student.
   • CLEAN injured area as necessary.
   • APPLY antiseptic and/or liquid or spray styptic as necessary (see NOTE).
   • COVER with bandage (Band-Aid).
   • DOUBLEBAG and dispose of all contaminated objects. Clean hands with antimicrobial cleanser, RETURN to service.
   • Instructor must wear unused disposable latex gloves or gloves with an allergenic equivalent when checking that student’s service (hair cut). Double bag and dispose of gloves.
   • Follow with antimicrobial scrub on hands.
   • Document incident in blood spill log.

NOTE: Do not allow containers, brushes, nozzles or liquid styptic to touch the skin or contact the wound. Use an applicator.
Instructors must complete an incident report.

NOTE: Following an accident the instructor must immediately contact ISU Public Safety (208) 282-2515, to do an accident report. If there is a blood spill, contact ISU Biohazardous Waste Control, (208) 282-2310.
WET DISINFECTION STANDARD

1. All tools and implements, except those which come in contact with blood or body fluids must be disinfected by complete immersion in an EPA-registered, hospital-grade, bactericidal, virucidal, and fungicidal disinfectant that is mixed and used according to the manufacturer’s directions.

2. All tools and implements which have come in contact with blood or body fluids must be disinfected by complete immersion in an EPA-registered, hospital-grade, and tuberculocidal disinfectant that is mixed and used according to the manufacturer’s directions.

STORAGE STANDARD

Disinfected implements must be stored in a disinfected, dry, covered container.
IV. COLLEGE OF TECHNOLOGY POLICIES

I. INTOXICANTS POLICY

Any instructor who observes behavior which suggests that a student may be under the influence or detects the odor of an intoxicant on a student will take the following actions:

1. The instructor will notify the student that they will not be allowed in the classroom or lab.
2. Public Safety should be contacted to escort the student to a safe place.
3. The student will meet with the Director of Student Services the following school day to discuss which steps should be taken.
4. The Director will communicate with the Office of Student Affairs regarding the violation.
5. The Director will contact the instructor and Department Chair summarizing any outcomes.

This policy does not supersede other laws or university student conduct policies pertaining to alcohol or drug possession, consumption or delivery.

II. DISMISSAL POLICY

A student may be dismissed from a College of Technology program if the student fails to meet the academic and/or nonacademic continuation standards of the program/department including unprofessional/unethical behaviors and unsafe practices, or if the student is not making satisfactory progress in the program. Prior to making a decision of dismissing a student, the faculty of the program will meet with the student for a disciplinary review in order to give the student due process which includes a student’s right to be adequately notified of charges and the opportunity to be heard.

DISCIPLINARY PROCEDURES

1. The faculty will notify the student privately of the incident(s) that have led to a disciplinary review and schedule a meeting time for the review. The purpose of a disciplinary review is to discuss the facts of the incident(s), to hear the student’s perspective, and if a violation has occurred, to determine an appropriate level of discipline which may lead to dismissal.

2. The meeting should be scheduled as soon as possible after the incident(s) occurred.

3. The student should refrain from attending any clinical, lab, externship, etc. that may threaten or pose a danger to the health, safety or welfare of any individual. After the disciplinary review, the faculty should determine what sanction to impose. In determining what sanction to impose, mitigating and aggravating factors may be considered, such as the individual’s prior disciplinary record, the nature of the offense, the severity of the damage, injury or harm resulting from the violation, and any restitution made.

NOTIFICATION PROCEDURES

1. The student must be notified in writing of the outcome of the disciplinary review and any sanctions will be imposed. If the student is dismissed, the letter must be sent by certified mail, return receipt requested.

2. The letter should indicate the incidents that occurred and the decision made regarding the incident(s). The student should be notified in the document that he or she has the right of appeal according to the Idaho State University Student Handbook. The student should be given a copy of the ISU Student Handbook or notified that it is available online.
An aggrieved student may:

1. Present any unresolved issues to the Department Chairperson. If the Department Chairperson is named in the complaint, the Dean of the College where the alleged infraction occurred shall appoint another member of the college to act in the Chairperson role for the appeals process.

2. Present any unresolved issues in a formal hearing before the Dean of the College involved. In the case of dismissal from a program, that is the college in which the program resides; for an appeal of a course grade, it is the college in which the course was offered. At this hearing, parties shall submit written charges, answers, and arguments to the Dean. The Dean shall preserve these documents for use in later appeals to a Scholastic Appeals Board, if such an appeal becomes necessary. Only written charges, answers, and arguments presented at the Dean's formal hearing will be subject to review by a Scholastic Appeals Board. The Deans shall be charged with preserving all tangible evidence and all written charges, answers, and arguments submitted at hearings before them. The student must have specifically demonstrated at the formal hearing before the Dean how the alleged infraction led to his or her dismissal from the program or adversely affected his or her final grade in order to pursue an appeal to a Scholastic Appeals Board. The Dean must notify, in writing, the student and faculty member of his or her decision within one week following the formal hearing. The Dean shall have the authority to direct the Registrar to change a student's grade.

3. Any Department Chairperson or College Dean may elect to utilize an internal committee to assist in making a decision on academic appeals at the departmental and/or college levels. Department Chairs and Deans may interview the student and/or instructor, or conduct any additional investigation deemed appropriate to help in the decision-making process. Nothing contained in these procedures shall act to enlarge or restrict the existing authority, if any, of any Dean or the Provost and Vice President for Academic Affairs to take any action, including the changing of student grades or reinstating a student, outside of the appeals process described herein.

PROCEDURE FOR AN APPEAL TO SCHOLASTIC APPEALS BOARD

1. If the student wants to appeal the decision reached in the formal hearing, he/she must obtain a scholastic appeal petition form from the Office of Student Affairs, and return it there when completed. The completed petition shall include a concise description of the complaint, the signature of the student instituting the petition, and the signatures and comments of the faculty member, Department Chairperson, if any, and the Dean involved, if said persons are still available.

2. Copies of all written charges, answers, and arguments and all tangible evidence presented at the Dean's formal hearing shall be made available to the student to attach to the original petition submitted to the Office of Student Affairs. The petition and additional materials will be secured in the Office.

3. A scholastic appeal petition must be initiated before the end of the semester following the formal hearing. The petition is initiated when the student formally presents his or her complaint to the Office of Student Affairs and requests a scholastic appeals petition.

4. The Office of Student Affairs will then notify the Chairperson of the Academic Standards Council of the need to consider the petition. The Chairperson will then choose a Chair for the Scholastic Appeals Board, and the rest of the Board will be constituted.
The following policies fall under the guidance of the Idaho State University Student Handbook.

For more information on each topic, please find the policy and descriptions using the handbook link.

VI.
COLLEGE OF TECHNOLOGY
RESOURCES AND SERVICES

SECTION I

SERVICES FOR STUDENTS

Student Services: This office is located on the main floor of the RFC Complex, Room 184 and assists students with specific information about the programs at the College of Technology. Admission advisors are available to give students assistance with admissions, class and schedule advisement, academic resources, and specific information pertaining to a students’ educational goals.

Hours are 7:30 a.m. to 6:00 p.m. Monday through Thursday and 7:30 a.m. to 5:00 p.m. on Fridays. Appointments can be made by calling (208) 282-2622. Appointments are recommended but not required. Tours of the programs are available by appointment and can be set up by calling (208) 282-2800.

www.isu.edu/tech/departments/student-services/

Tutoring Assistance: Students who are experiencing difficulties with their program instruction or classroom assignments may receive assistance. The student’s instructor should be contacted first, as many of the training programs have ‘peer tutors’ available who are familiar with the required curriculum and assignments.

NOTE: It is important to request assistance as EARLY in the semester as possible! At the point a student recognizes he/she is having difficulty, help should be sought immediately! Contact the Resource Center, located on the third floor, Room 365, of the Roy F. Christensen (RFC) complex or telephone (208) 282-3208 for an appointment to discuss specific tutoring needs.

https://www.isu.edu/tech/departments/resource-center/

The Center for New Directions: Located within the RFC Complex on the third floor, Room 372. The Center’s telephone number is (208) 282-2454. Support programs are available at no cost for men and women who are interested in entering/reentering the job market due to issues which might include: divorce; separation; death; or disability of a spouse. Services are available on job seeking skills, career information, self-esteem, self-confidence building, and personal counseling. The Center also provides a limited number of scholarships for single parents and for women and men interested in pursuing “non-traditional” fields of training. isu.edu/cnd

SECTION II

REGISTRATION AND FEE COLLECTION
POLICY FOR 2018-2019

- All students who are enrolled in semester-based programs must pay their tuition by the Friday before classes begin to avoid a $50 late fee. For tuition payment information login to the ISU Bengal Web and go to the Finances Tab.
- Students who are enrolled only in the eight-week classes (early and late), must pay tuition by the first day of class.

NOTE: It is the individual student’s responsibility, regardless of funding source, to see that their tuition is paid on time and that they are officially enrolled at ISU. Students who do not pay tuition prior to the deadline may be dis-enrolled.

SECTION III
FINANCING YOUR EDUCATION

Students attending the ISU College of Technology can apply for federal financial aid by submitting a Free Application for Federal Student Aid (FAFSA) form each year they are enrolled at
the University. FAFSA applications are available on the web at: fafsa.gov. It is strongly recommended that students apply early. Keep the Financial Aid office notified of any changes in student status such as address change, marriage, etc.

NOTE: Students who leave school prior to successful completion may have to repay federal financial aid received. Call the ISU Financial Aid office immediately if you plan to withdraw from school, (208)282-2756. The website for financial aid is: https://www.isu.edu/financialaid/

Numerous scholarships are available to College of Technology students. The ISU Scholarship Department website lists those scholarships available to the general university population.

The most common scholarships are the Associated Students of ISU (ASISU) Need and Scholastic awards. Funds for these scholarships come from a portion of the registration fees each student pays. Applications for ASISU scholarships are made available every semester to currently enrolled students. Many scholarships are donated by business/industry, organizations, or individuals, and have specific criteria, which must be met. Eligibility requirements are usually listed on the posted announcement. Check with College of Technology Student Services office for a list of current scholarships available or you may access this information on-line. https://isu.academicworks.com/users/sign_in

SECTION IV
SHORT-TERM LOANS

The Short-Term loan program is funded by Friends of Idaho State University. It is limited to loans for books and educational expenses. The maximum amount of each loan is $500. The loans are issued for up to 90 days. They must be repaid upon receipt of financial aid, 90 days after issue, or the last day of the semester, whichever arrives first. Your ISU internal credit rating will be reviewed prior to loan approval. Failure to pay this loan as agreed will adversely affect the credit rating used internally by ISU.

HOW TO OBTAIN A SHORT-TERM LOAN

Complete a loan application and promissory note at the Office of Finance and Administration, Room 124 in the Administration Building.

NOTE: The priority deadline for most types of federal financial aid is March 1 of each year, although students are encouraged to apply anytime between January 1 and June 30 of the following year (example, January 1, 2012 to June 30, 2012).

SECTION V
TRAFFIC AND PARKING

NOTE: Please refer to the ISU parking web address at https://www.isu.edu/parking/

Every motor vehicle on the ISU campus must be registered and display an appropriate ISU decal. Parking permits are available at the ISU Traffic Office located at the corner of South fifth and Humboldt Street, telephone (208) 282-2515 or 282-2625.

Cost: General Lot: $100
Reserved Lot: $300
Reduced fee $50 at Holt Arena only

Students may park only in the area their parking decal designates. Students at the College of Technology may not park in the Cosmetology Patron parking spaces. The parking meters at the RFC are reserved for visitors and new applicants inquiring about school. Students are NOT PERMITTED to park in metered spaces. Students should be aware of the ISU towing policy. Any vehicle will be towed at owner’s expense when it accumulates $50 in citations.

Any traffic tickets or resulting fines owed the University must be paid or students’ transcripts, certificates, and/or degrees will not be released upon completion of their training program. In addition, registration for the next term will not be permitted until the fines and other financial obligations are paid or proper arrangements are made by the student.
SECTION VI
TRANSPORTATION

ISU Commuter Bus: The Commuter Bus Service is a system designed to assist commuting students enrolled at ISU with a source of transportation to and from the campus. The Transportation Office is located at the corner of South 5th and Humboldt Street. Their number is (208) 282-4660. Busses run on a daily basis (Monday through Friday) and pick up students at various locations in outlying areas of the region including Idaho Falls, Exit 113, and Blackfoot. The bus schedule operates from the first day of each semester and continues until the last day of final examination week. For information on costs and schedule, telephone (208) 282-4460, or go to https://www.isu.edu/transportation/

Pocatello Regional Transit (PRT): Located at 215 Bonneville (former Greyhound Bus terminal in Old Town Pocatello). Call (208) 232-0111 for information and schedules. Pocatello Regional Transit provides a shuttle bus service on campus from Holt Arena to various drop off points on a 10-minute basis during the school day and is free of charge! PRT provides transportation services within the metropolitan Pocatello vicinity. Student discounts are available.

SECTION VII
GRADUATION

NOTE: Students should refer to the policies in the program section of the handbook to determine eligibility for a Certificate and/or Associate of Applied Science degree.

Students planning to graduate should apply for graduation no less than one semester before all requirements are completed. Students are encouraged to apply the semester before they intend to graduate in order to confirm all requirements are met. Information about applying and costs can be located on the ISU Registrar’s office website: https://www.isu.edu/registrar/graduation-application/

The College of Technology graduation ceremonies are held in May and December. Students who have applied for graduation will receive information regarding this ceremony. The commencement exercise for the entire University takes place once a year, the Saturday following the last day of school in May.

ISU College of Technology students are encouraged to take part in the graduation ceremonies. For most people this is a once-in-a-lifetime experience and an opportunity for family and friends to honor all the graduates. Whether or not a student is unable to attend the graduation exercise, the student’s diploma will be mailed at a later date.

COMPUTER USAGE POLICY

Person(s) using any of the ISU computing resources for personal gain, violation of security/privacy or who otherwise compromise the integrity of the hardware and/or software shall be prosecuted to the full extent of the law.

Legitimate use of a computer or computer network does not extend to whatever you are capable of doing with it. Although some rules are built in to the system itself, these restrictions cannot limit completely what you can do and can see. In any event, you are responsible for your actions whether or not rules are built in, and whether or not you can circumvent them.

Inappropriate use of the computer is considered computer misuse. The supervisor of each lab will determine what is deemed “inappropriate use” for their particular lab. For specific computer lab policies, see individual lab instructors. Inappropriate use may result in denial of computer lab access at the College of Technology.

The misuse of this computing account, or use of an account belonging to another, may result in the loss of your computer privileges. Where computing is required to complete course work this may effectively require transfer to a non-computer related program and/or hinder your pursuit of a degree. Examples of misuse are: sharing your personal account with another individual, using unauthorized passwords, use for financial gain or business purposes, sending offensive electronic mail or Internet correspondence, chain letter, or other such correspondence, unauthorized transfer of computer programs or data, attempts to circumvent established procedures, computer security breach or attempts to break security.

I have read the entire student computing contract. I acknowledge and agree to use the ISU computing resources solely for University instructional, administrative, or research activities in accordance with above policy. I further acknowledge that any abuse of the above privilege may result in loss of computing privileges whether or not such privileges are necessary for continued enrollment in my present course of study.
