III. Program Introduction

This handbook is designed to provide information and serve as a resource for most questions and school situations you may encounter as a student in the Law Enforcement program. The information provided in this handbook is meant to supplement that provided in the Idaho State University Handbook and Official Student Code of Conduct.

All students are directly responsible to the instructors first. Details regarding program procedures will be covered and questions answered during orientation at the beginning of the program or as the need arises. Problems of any nature will be brought to the attention of the instructors and program coordinator. They will seek assistance for a student problem. If a student feels a need for conference with someone other than an instructor or the program coordinator, a meeting may be arranged with an advisor from the College of Technology Student Services at (208) 282-2622.

Program Administration

The Law Enforcement program is operated by the College of Technology, Idaho State University. The program works in cooperation with the Idaho State Board for Professional Technical Education and is approved by the State Board of Education.

IV. Program Policies

Attendance Policy

Requirements are governed by P.O.S.T. Each student must maintain a 2.0 GPA or better to progress; any student that falls below a (C) average will be dropped from the program. Students must maintain a 2.0 GPA or better. Every student is expected to attend every class on a regular basis and on time. The standard for attendance is governed by P.O.S.T. A student cannot miss more than 32 hours in a semester or four days excused or unexcused. If the student receives three unexcused absences, they will be given an overall grade cut of one full grade. An unexcused absence is simply failing to call in and notify the office that you will not be in class. Three tardies will be equivalent to one absence. Every student is expected to attend class on a regular daily basis.

Should you not be able to attend for any reason, you are responsible for notifying the staff by 7:45 a.m. The program phone number is 282-3083.

The specific attendance rules and policies for the Law Enforcement program are as follows.

Excused & Unexcused Absences

1. Attendance is a requirement of each class.
2. On the third unexcused absence an overall grade cut of one full letter grade will be given in courses missed.
3. Emergency absences will be excused for any of the following reasons:
   a. Severe illness of the student.
   b. Death or critical illness of the immediate family.
   c. Conditions under which the student has no control.
4. An absence from any class can only be excused by the Program Coordinator.
5. All make-up work must be made up by the student the day following the absence.
6. The Program Coordinator will determine whether you are allowed to make up work missed because of absence.
7. No excuse will be allowed to conduct personal business unless prior approval has been given by the Program Coordinator.
8. Waiver of any of the above rules may be made only for unusual circumstances by petition of the student to the Program Coordinator.
9. Students enrolled in the course are accepted by P.O.S.T. as peace officers and thus expected to conduct themselves as an officer would at all times. Misconduct or conduct unbecoming of an officer will apply as P.O.S.T. standards for all
students when enrolled in the ISU Law Enforcement program. Students will be dismissed from the program that are found in any act of deceit, immoral act, drug usage, or felony or misdemeanor crime. Students found breaking any state or county law such as drinking under age, failure to carry insurance, shoplifting, theft, drug usage or sex crime will be dismissed from the program. Students not completing all background checks will not be allowed to take the P.O.S.T. Certification exam. Students that do not meet the minimum patrol/detention standards for firearms and fitness, will not be allowed to take the P.O.S.T. Certification exam.

**Program Hours & Break Times**

Classes are held 5 days a week. Times will vary between 8 and 10 hours per day. 8:00 am - 5:00 pm and 6:00 am - 5:00 pm. There will be occasions when classes will start late and run late.

Note: Employers are very interested in a student’s attendance and study habits because they reflect how he/she will perform on the job. Representatives from business and industry on the program’s advisory committee have asked that an attendance policy be established to develop good work habits.

• Students shall conduct themselves at all times, both on and off duty, in such a manner as to reflect most favorably on the Employing Agency and the Academy. Conduct unbecoming of an officer shall include that which brings the Academy into disrepute or reflects discredit upon the student officer as a member of the Academy class, or that which impairs the operation or efficiency of the Academy or student officer. All student officers are expected to be completely honest and forthright at all times. Any student officer who is unable to live up to the spirit of this requirement is unfit to serve as a police officer or in public service.

Courtesy shown to a subordinate acknowledges the essential part he/she plays as a member of the law enforcement team. Courtesy shown to the public acknowledges the role of
law enforcement in a free society; that law enforcement is a part of, and not apart from, the community they serve. The methods of expressing courtesy are distinctive and precise. Slovenly, grudging, or perfunctory displays of these methods are discourteous, and may be cause for dismissal.

The program coordinator will make a decision regarding the issue and may clear, warn, demerit, or recommend dismissal of the student. A recommendation of dismissal will be reviewed by the college department chair, who will make a final determination regarding dismissal. The student will receive a written decision of the college department chair, including notice of the student’s appeal rights. A student who is dismissed from the program for failure to comply with any P.O.S.T. standard may not apply for readmission to the program.

The student has the right to appeal the decision of the college department chair according to the procedures set forth in the student handbook policy. See “Dismissal from an Undergraduate Program.”
Academic Dismissal

A student who is dismissed from the program for academic failure may petition for reentry into the program. If permission is granted, the student will reenter on probation. Students should contact the ISU College of Technology Student Services office for assistance in developing a petition to return to the program.

V. College of Technology Policies

Intoxicants Policy

Any instructor who observes behavior which suggest that a student may be under the influence or detects the odor of an intoxicant of a student will take the following actions:

1. The instructor will notify the student that they will not be allowed in the classroom or lab.
2. Public Safety should be contacted to escort the student to a safe place.
3. The student will meet with the Director of Student Services the following day to discuss which steps should be taken.
4. The Director will communicate with the Office of Student Affairs regarding the violation.
5. The Director will contact the instructor and Department Chair summarizing any outcomes.

This policy does not supersede other laws or university student conduct policies pertaining to alcohol or drug possession, consumption or delivery.

Dismissal Policy

A student may be dismissed from a College of Technology program if the student fails to meet the academic and/or nonacademic continuation standards of the program/department including unprofessional/unethical behaviors and unsafe practices, or if the student is not making satisfactory progress in the program. Prior to making a decision of dismissing a student, the faculty of the program will meet with the student fora disciplinary review in order to give the student due process which includes a student’s right to be adequately notified of charges and the opportunity to be heard.

Disciplinary Procedure

1. The faculty will notify the student privately of the incident(s) that have led to a disciplinary review and schedule a meeting time for the review. The purpose of a disciplinary review is to discuss the facts of the incident(s), to hear the student’s perspective, and if a violation has occurred, to determine an appropriate level of discipline which may lead to dismissal.
2. The meeting should be scheduled as soon as possible after the
incident(s) occurred.
3. The student should refrain from attending any clinical, lab, externship, etc. that may threaten or pose a danger to the health, safety or welfare of any individual. After the disciplinary review, the faculty should determine what sanction to impose. In determining what sanction to impose, mitigating and aggravating factors may be considered, such as the individual’s prior disciplinary record, the nature of the offense, the severity of the damage, injury or harm resulting from the violation, and any restitution made.

Notification Procedures

1. The student must be notified in writing of the outcome of the disciplinary review and if sanctions will be imposed. If the student is dismissed, the letter must be sent by certified mail, return receipt requested.
2. The letter should indicate the incident(s) that occurred and the decision made regarding the incident(s). The student should be notified in the document that he or she has the right of appeal according to the Idaho State University Student Handbook. The student should be given a copy of the ISU Student Handbook or notified that it is available online.

Channels of Redress

An aggrieved student may:

1. Present any unresolved issues to the Department Chairperson. If the Department Chairperson is named in the complaint, the Dean of the College where the alleged infraction occurred shall appoint another member of the college to act in the Chairperson role for the appeals process.
2. Present any unresolved issues in a formal hearing before the Dean of the College involved. In the case of dismissal from a program, that is the college in which the program resides; for an appeal of a course grade, it is the college in which the course was offered. At this hearing, parties shall submit written charges, answers, and arguments to the Dean. The Dean shall preserve these documents for use in later appeals to a Scholastic Appeals Board, if such an appeal becomes necessary. Only written charges, answers and arguments presented at the Dean’s formal hearing will be subject to review by a Scholastic Appeals Board. The Deans shall be charged with preserving all tangible evidence and all written charges, answers, and arguments submitted at hearing before them. The student must have specifically demonstrated at the formal hearing before the Dean how the alleged infraction led to his or her dismissal.
from the program or adversely affected his or her final grade in order to pursue an appeal to a Scholastic Appeals Board. The Dean must notify, in writing, the student and faculty member of his or her decision within one week following the formal hearing. The Dean shall have the authority to direct the Registrar to change a student’s grade.

3. A Department Chairperson or College Dean may elect to utilize an internal committee to assist in making a decision on academic appeals at the departmental and/or college levels. Department Chairs and Deans may interview the student and/or instructor, or conduct an additional investigation deemed appropriate to help in the decision-making process. Nothing contained in these procedures shall act to enlarge or restrict the existing authority, if any, of any Dean or the Provost and Vice President for Academic Affairs to take any action, including the changing of student grades or reinstating a student, outside of the appeals process described herein.

**Procedure for an Appeal to Scholastic Appeals Board**

1. If the student wants to appeal the decision reached in the formal hearing, he/she must obtain a scholastic appeal petition form from the Office of Student Affairs, and return it there when completed. The completed petition shall include a concise description of the complaint, the signature of the student instituting the petition, and the signatures and comments of the faculty member, Department Chairperson, if any, and the Dean involved, if said persons are still available.

2. Copies of all written charges, answers, and arguments and all tangible evidence presented at the Dean’s formal hearing shall be made available to the student to attach to the original petition submitted to the Office of Student Affairs. The petition and additional materials will be secured in the office.

3. A scholastic appeal petition must be initiated before the end of the semester following the formal hearing. The petition is initiated when the student formally presents his or her complaint to the Office of Student Affairs and requests a scholastic appeals petition.

4. The Office of Student Affairs will then notify the Chairperson of the Academic Standards Council of the need to consider the petition. The Chairperson will then choose a Chair for the Scholastic Appeals Board, and the rest of the Board will be constituted.

Tutoring Assistance: Students who are experiencing difficulties with their program instruction or classroom assignments may receive assistance. The student’s instructor should be contacted first, as many of the training programs have ‘peer tutors’ available who are familiar with the required curriculum and assignments.

Note: It is important to request assistance as EARLY in the semester as possible! At the point a student recognizes he/she is having difficulty, help should be sought immediately! Contact the TAP Center, (Tutoring, Academic support, Peer mentoring), located in Room 101 of the RFC Complex. Or telephone at (208) 282-3208 for an appointment to discuss specific tutoring needs. isu.edu/tech/tutoring

The Center for New Directions: Located within the RFC Complex on the third floor. The Center’s telephone number is (208) 282-2454. Support programs are available at no cost for men and women who are interested in entering/re-entering the job market due to issues which might include: divorce; separation; death; or disability of a spouse. Services are available on job seeking skills, career information, self-esteem, self-confidence building, and personal counseling. The Center also provides a limited number of scholarships for single parents and for women and men interested in pursuing ‘not-traditional’ fields of training. isu.edu/cnd

Section II: Registration and Fee Collection Policy
• All students who are enrolled in semester-based programs must pay their tuition by the Friday before classes begin to avoid a $50 late fee. For tuition payment information, login to the ISU BengalWeb and go to the Finances tab.

• Students who are enrolled only in the eight-week classes (early and late), must pay tuition by the first day of class.

Note: It is the individual student’s responsibility, regardless of funding source, to see that their tuition is paid on time and that they are officially enrolled at ISU. Students who do not pay tuition prior to the deadline may be disenrolled.

Section III: Financing Your Education

Students attending the ISU College of Technology can apply for federal financial aid by submitting a Free Application for Federal Student Aid (FAFSA) form each year they are enrolled at the University. FAFSA applications are available on the web at: studentaid.gov/fafsa

It is strongly recommended that students apply early. Keep the Financial Aid office notified of any changes in student status such as address change, marriage, etc.

Note: Students who leave school prior to successful completion may have to repay federal financial aid received. Call the ISU Financial Aid office immediately if you plan to withdraw from school, (208) 282-2756. The website for financial aid is: isu.edu/financialaid

Numerous scholarships are available to College of Technology students. The ISU Scholarship Department website lists those scholarships through the Bengal OnlineScholarship System (BOSS).

The most common scholarships are the Associated Students of ISU (ASISU) Need and Scholastic awards. Funds for these scholarships come from a portion of the registration fees each student pays. Many scholarships are donated by business/industry, organizations, or individuals and have specific criteria, which must be met.

Section IV: Short-Term Loans

The Short-Term loan program is funded by Friends of Idaho State University. It is limited to loans for books and educational expenses. The maximum amount of each loan is
$500. The loans are issued for up to 90 days. They must be repaid upon receipt of financial aid, 90 days after issue, or the last day of the semester, whichever arrives first. Your ISU internal credit rating will be reviewed prior to loan approval. Failure to pay this loan as agreed will adversely affect the credit rating used internally by ISU.

X. Computer Usage Policy

COMPUTER USAGE POLICY

Person(s) using any of the ISU computing resources for personal gain, violation of security/privacy or who otherwise compromise the integrity of the hardware and/or software shall be prosecuted to the full extent of the law.

Legitimate use of a computer or computer network does not extend to whatever you are capable of doing with it. Although some rules are built into the system itself, these restrictions cannot limit completely what you can do and can see. In any event, you are responsible for your actions whether or not rules are built in, and whether or not you can circumvent them.

Inappropriate use of the computer is considered computer misuse. The supervisor of each lab will determine what deemed “inappropriate use” for their particular lab. For specific computer lab policies, see individual lab instructors. Inappropriate use may result in denial of computer lab access at the College of Technology.

The misuse of this computing account, or use of an account belonging to another, may result in the loss of your computer privileges. Where computing is required to complete course work this may effectively require transfer to a non-computer related program and/or hinder your pursuit of a degree. Examples of misuse are: sharing your personal account with another individual, using unauthorized passwords, use for financial gain or business purposes, sending offensive electronic mail or internet correspondence, chain letter, or other such correspondence, unauthorized transfer of computer programs or data, attempts to circumvent established procedures, computer security breach or attempts to break security.

I have read the entire student computing contract. I acknowledge and agree to use the ISU computing resources solely for University instructional, administrative, or research activities in accordance with above policy. I further acknowledge that any abuse of the above privilege may result in loss of computing privileges whether or not such privileges are necessary for continued enrollment in my present course of study.
