

Physical Therapist Assistant Program
Prospective Student Assignment

Greetings,

Prospective Physical Therapist Assistant students will need watch the videos provided by the American Physical Therapy Association (APTA). The videos are found using the links provided. After you have viewed the videos, you will then need to write a three paragraph paper, double spaced covering the videos within the links below:

(copy and paste the web address below in your web browser then search)

(view all videos and feel free to check out the other resources from the APTA at apta.org)

Becoming a Physical Therapist Assistant (PTA): <https://www.youtube.com/watch?v=q4VwS7zvGfg>

Physical Therapist Careers Video from APTA: <https://www.youtube.com/watch?v=1Z2Ib4Meul4>

1. Why have you picked the Physical Therapist Assistant profession?
2. What attributes do you bring to this profession and how will you be successful?
3. After watching the videos, what is something new you learned about the profession of physical therapy?
4. Any additional thoughts you had about the video and the profession of physical therapy.

Please do not forget your name and date on the paper that you will be submitting with your application for the ISU Physical Therapist Assistant Program. This can be submitted via mail, e-mail, or fax to the following office:
