

MCOUN Employer Survey

Q1 - The faculty of Idaho State University's Department of Counseling is interested in obtaining your perceptions of how our recent graduate was prepared for employment in the profession of counseling. In an ongoing effort to assess the quality of our graduates, we are asking for your help in providing feedback about the performance of our graduate who is currently employed in your agency/office/school. Your participation is voluntary and your response will be kept confidential. The Department of Counseling, Dean of the Division of Health Sciences, and the Director of the Kasiska School of Health Professions will receive a summary of the responses for the group but not the questionnaire itself. Please rate the performance of the graduate in the following areas by clicking the appropriate response. Please use the following scale: Scale: SA = Strongly agree; MA = Moderately agree; AS = Agree slightly; DS = Disagree slightly; MD = Moderately disagree; SD = Strongly disagree; NA = Not appropriate to my situation. - The graduate has the skills and knowledge necessary to meet the needs of individuals and families at all development levels.
