

MS PROGRAM OUTCOMES

- Promote oral health of individuals and populations by engaging in activities related to management, leadership, and advocacy while maximizing interprofessional opportunities.
- Acquire research and scholarship abilities contributing to the dental hygiene scientific knowledge base.
- Demonstrate professional development through enhanced knowledge, values, and actions.
- Develop instructional and administrative knowledge, values, and practices to prepare future generations of learners.
- Develop, implement, and evaluate community or rural programs to advance the oral health of underserved populations.
