

Idaho State University-Division of Health Sciences
B.S. Dietetics
(Didactic Program in Dietetics Curriculum)

Name _____ Bengal ID _____ Catalog Year _____ G.P.A. _____ Transfer
_____ Advisor _____

Students electing the Dietetics major must fulfill the university general education requirements for a B.S. degree plus the required dietetic courses and additional electives to total 120 credits. Course grade lower than C- not accepted.

Students majoring in Dietetics must pay careful attention to the prerequisite courses required as well as other specific courses required to fulfill the university general requirements. NTD prefix courses must be taken in the sequence shown unless approved by advisor. * Only offered in semester indicated.

Students should meet with their advisor at least once every semester to ensure correct scheduling of course work.

Suggested Sequence Of Courses
