

Division of Health Sciences

FY13-16 Strategic Plan

MISSION:

Idaho State University's Division of Health Sciences provides leadership in the delivery of rural health care by **educating caring and competent professionals** across **all dimensions of health** and promotes **collaborative research and practice** in the health sciences.

VISION:

The Division of Health Sciences is a destination site for health profession education.

CORE VALUES:

Professional Integrity - Promoting professional ethical standards and respecting the integrated roles of all health professionals.

Holistic Approach to Health - Emphasizing a comprehensive view of human health, including curative and preventive dimensions

Collaboration - Recognizing the value of internal and external partnerships through professional and community engagement.

Discovery and Innovation - Seeking new evidence to improve health.

Dedication - Supporting the mission and vision of the DHS.

Excellence - Striving for excellence in all aspects of professional, academic and personal endeavors.

GOAL AREAS:

Goal 1 - To provide high quality programs that are efficient, cost effective, and student oriented.

Goal 2 - To create an environment conducive to inquiry.

Goal 3 - To expand the DHS image as a destination site for health professions education.
