Spring 2020 KDHS Opening Assembly
Spring Assembly

- Challenges
- Giving thanks
  - Staff
  - Faculty
  - Admin and DHS Team
- Student connections are our priority
- DHS role in recruitment and retention of ALL students
- Keep pushing with marketing
- Growth not cuts, if possible
Kevin Satterlee
Retirements

College of Health Professions Dean Laura McKnight retires after 26 year career at ISU
Retirements

Pre-Health Academic Advisor Jacque Baergen after 11 year career at ISU
In Remembrance of Dr. Galen Louis

- Dr. Louis was a transformative leader and thoughtful friend among the Department of Community and Public Health.
In Remembrance of Dr. Alyce Sato

- Professor Emerita, many contributions have impacted nursing education and the careers of generations of Idaho nurses
Priorities

• Student Connections are our #1 priority

• Recruitment and Retention
  • Aggressive push for more advising support
  • Emphasis on underserved populations

• Early Assurance
  • Dental Hygiene and Occupational Therapy

• Pre-professional pathways

• Articulation plans with community colleges
KDHS Reorg

- Genesis
- Draft generated before holiday break by HSAC
- Additional comments/feedback received
- Under review by Faculty Advisory Council
- Next, review by HSAC
- Review and comment period by DHS
- FAC and HSAC re-review and possible revision, re-post for comment
- HSAC develops final draft
- VP to carry to President’s Admin Council
Budget

- Update for FY 20
- What does FY 21 bring?
  - ~$6M deficit d/t current situation
  - ~$3M enrollment decline
  - $2M 2% Governor’s holdback
  - $$ unfunded CEC
  - Total estimated ~$10-12M deficit
- DHS plan will focus on growth...with appropriate workload and staffing
- Cuts are possible....plan is TBD
- Colleges have developed engagement plans
Questions and Discussion
ISU Strategic Planning

- KDHS Representatives
  - Steve Moody, Sue Tavernier, Barb Mason, James Ralphs, Walter Fitzgerald, Ali Crane

- Strategic Planning: Campus Education Event, February 10, 1:30-4:30 pm
  - Pocatello Wood River
  - Meridian 845

- https://www.isu.edu/strategicplan/
KDHS Accomplishments

- Idaho Business Review 2020 Women of the Year - Paula Phelps Recognized
- KDHS made up nearly one-third of the graduating Class of 2019
  - 777 of ISU’s 2,553 graduated with health sciences degrees
- Idaho State nationally recognized by intelligent.com
  - MPH program ranked #31
  - Doctorate degree programs #60
KDHS Accomplishments

- Meridian celebrated its 10 Year Anniversary
- Interim Dean of the College of Nursing, Karen Neill, appointed as the President of Nurse Leaders of Idaho
- Bengal Pharmacy transition to College of Pharmacy
- College of Nursing receives news that all standards are met for all nursing programs-10 year accreditation
KDHS Accomplishments

- Dean Walter Fitzgerald joins the College of Pharmacy
- College of Pharmacy celebrates 100 years of preparing pharmacists
  - Centennial Celebration: September 11-12, 2020
  - $15 million Centennial Campaign, has generated $13.4 million thus far, total includes cash gifts, signed pledges and planned gifts.
  - concludes at the end of this calendar year
KDHS Accomplishments

- College of Pharmacy working toward Center for Advancing Pharmacy Practice and Research
- Inaugural class of Clinical Psychopharmacology
- College of Nursing receives $300,000+ for a 3-yr grant to expand our highly successful accelerated nursing program to eastern Idaho
- Improved articulation between CC AD-RN programs and our BS completion program
KDHS Accomplishments

- Clinic revenue up 17% for FY20
  - Great job!
- Notable clinic donations:

  - AHEC and AmeriCorps
- IRH is informing the development of health-related programs and policy change
  - Idaho Suicide Prevention Needs Assessment
  - Southeast Idaho Public Health District Needs Assessment
  - Traumatic Brain Injury Project
  - Idaho Statewide Senior Services Assessment
KDHS Accomplishments

• $1.4 million raised with the help of community supporters and alumni

• Over 400 donors made gifts to support our programs
  • including ongoing support from PMC, the Kasiska Family Foundation, and Dairy West
  • Emeritus Faculty made major planned gifts to help provide resources for students and current faculty

• Over 300 BS-HS students!
KDHS Accomplishments

- Increasing program offerings to address workforce needs in Idaho
  - State Board approvals of:
    - Occupational Therapy expansion to Meridian
    - Clinical Rehabilitation Counseling
    - Health Informatics Online
    - Community Health Worker Certificate
    - Master’s of Science in Nutrition for both the combined Dietetic Internship and stand-alone MS in Nutrition
General Counsel Updates

- Process
- Agreements/Contracts
Idaho Center for Health Research (ICHR)
Mission

To foster collaborative interdisciplinary research to promote wellness and improve health outcomes
Idaho Center for Health Research

FOSTERING HEALTH RESEARCH COLLABORATIONS

Broad Research Expertise
- Biomedical Studies
- Biostatistics
- Clinical Trials
- Dissemination Science
- Evidence Synthesis
- Grantsmanship and manuscript development
- Implementation Science
- Large Dataset Analysis
- Psychometrics
- Qualitative Study Designs
- Translational Sciences

Diverse Research Specialties
- Access to Care
- Chronic Disease Management
- Community Health Education
- Distress Management
- Emergency Medicine Services
- Health Disparities
- Health Informatics
- Health Literacy
- Health Promotion
- Health Services
- Interprofessional Education and Practice
- Nutrition and Wellness
- Opioid Use Disorder
- Palliative Care
- Patient-Provider Communication
- Population Health Management
- Quality of Life
- Refugee Health
- Rural health
- Telecare
- Transitions of Care

Strategic Partnerships
- Idaho Commission on Aging
- Idaho Department of Health and Welfare
- Idaho Primary Care Association
- Institute of Translational Health Science
- Mountain West Clinical and Translational Research Network
- St. Luke’s Research
- Veteran Affairs Medical Center
Collaborations Yield Tangible Outcomes: 2019 Highlights

Research Events

Internal Funding Awards

- Influence of gender disparities on mobility and fall risk following community based group exercise in Parkinson’s disease. ISU Internal Seed Grant. PI Evan Papa (physical therapy), Statistical Consultant Rick Tivis.
- Putting Students in the Driver’s Seat: A Participatory Approach to Developing an Interprofessional Course on Palliative Care, ISU Innovation and Teaching Grant. PI Susan Tavernier (nursing), co-I Barb Gordon (nutrition and dietetics).

External Funding Awards

- Interprofessional Education Exchange (iPEx) — Development of a palliative care oncology curriculum within a wellness framework. National Cancer Institute, NIH. Co-I: Susan Tavernier (nursing), Barbara Mason (pharmacy) Shauna Smith (speech/language pathology), Barb Gordon (nutrition and dietetics), Logan Lamprecht (counseling).

MarCom 2019 Update

• Increased print and social media coverage
• Constant Contact emails: Please do not “unsubscribe”
• Increased the use of video for programs and promotions
• Reduced print ad costs by 57% in the last year
• Increased participation and exposure
• Increased marketing support
MarCom 2020 Goals

- Strategically showcase economic and social impact of KDHS programs and clinics in both East Idaho and Treasure Valley
- Increase utilization of social media outlets
- Grow applicant and enrollment with digital advertising
KDHS Faculty Advisory Committee

- Pharmacy: Barbara Mason
- Nursing: Melody Weaver
- Health Professions: Elizabeth Horn
- Rehabilitation and Communication Sciences: Victoria (Tori) Scharp

- Three at Large Members: Amy Hardy, Glenda Carr, and JoAnn Gurenlian (Chair)

- Non-Voting ex officio Member: Chris Owens
- Administrative Assistant: Alyssa St. John
Faculty Advisory Council

Purpose

• To serve as the voice of the faculty in an advisory capacity to the VP of Health Sciences on Division-wide issues, including policies and procedures, faculty review processes, and other initiatives
Faculty Advisory Council Accomplishments

- Created a draft Policy on Policies
- Created a Reportable Outside Activities Policy
  - Both are currently under review by the Health Sciences Administrative Council (HSAC)
  - Then out for faculty comment
Faculty Advisory Council Goals for Spring 2020

- Contribute to re-org discussion
- Workload Policy and Collegiality Policy for the KDHS
  - Using existing college and department policies as a guide
- Early Assurance and related programs
- DHS-wide curriculum offerings
Faculty Senate Update

KDHS Faculty Senators are:

Pharmacy: John Holmes
Nursing: Christy Sabel
Health Professions: Christine Hall
Rehabilitation and Communication Sciences: James Ralphs
Meridian at Large: Evan Papa
At Large: Randy Astramovich, Kathy Eroschenko, Marv Sparrell
Faculty Senate Update

- Program Health and Sustainability
- Initial work on updating policies - Started with 1010 (Policy Administration and Development)
- Budget Engagement Plans and Process - The importance of faculty input
- Policy Updating - Promotion and Tenure, Sabbatical, etc.
- Become Involved
  - Temporary replacement for Meridian at large senator
  - Subcommittee working on "Faculty Grievance Policy"
Faculty Senate Update

• Please reach out to your senators with questions / comments

• Open forum at the beginning of each Senate meeting (4pm, every other Monday)
Spring Semester First Friday Events

- February 7\textsuperscript{th}: Melanie Wright, “Improving clinician understanding and action through human-centered design of patient information display”
  - Possible visiting research professor

- March 6\textsuperscript{th}: TBA...suggestions???

- April 3\textsuperscript{rd}: Melody Weaver and Mary Nies
Refreshments with Rex

- February 5th: Pocatello, Student Union, 8:00-9:00 am
- March 4th: Pocatello, Student Union, 8:00-9:00 am
- March 18th: Meridian, Bengal Den, 8:00-9:00 am
- April 8th: Pocatello, Student Union, 8:00-9:00 am
ISU Health Fair

- ISU Pond Student Union Building March 5, 2020 8:00 AM – 6:00 PM
- Services available at the KDHS Clinics health-screening event:
  - Blood pressure, pulse, and height and weight assessment
  - Depression and anxiety screening
  - Fall risk screening
  - Foot assessment and care
  - Hearing screening
  - Medication review and evaluation
  - Nutrition education and information
  - Oral health screening
  - Traumatic brain injury screening
  - Summarizing a health action plan
  - Laboratory services
  - Food demos in the morning and early afternoon

Please register for your educational booths! Email healthfair@isu.edu or contact Dr. Carol Kirkpatrick with questions
KDHS Research Day 2020

- Technology in Healthcare
- April 17, 2020
- Program and Abstracts coming soon!
- Visit https://www.isu.edu/ichr/kdhs-research-day/ for more details
KDHS Calendar: To add events to the KDHS Calendar, please email kdhs-calendar@isu.edu
