Faculty/Staff Survey

Before the Fall semester ends, I would appreciate it if you would take a moment to complete the following survey. This survey is being sent electronically to all faculty and staff in the DHS. We sent a similar survey out after fall semester last year. It is our effort to provide an opportunity for direct feedback and input on the Mission and Goals of the DHS. We are conducting a similar survey with students. In advance, many thanks for your time.

Demographics

Please check the appropriate boxes to describe your position in the DHS.

Program: _____

Faculty _____ Staff (Classified) _____ Exempt (Non-Classified) _____

If Faculty, please indicate:

Tenured _____ Clinical _____ Tenure-Track _____

Rank _____ Rank _____

Mission

The mission of the DHS is to: provide leadership in the delivery of rural health care by educating caring and competent professionals across all dimensions of health and promotes collaborative research and clinical practice in the health sciences.

1. My program educates caring and competent professionals.

Strongly Disagree Disagree Neither Agree or Disagree Agree Strongly Agree

Please list ways, if any, that your program could improve in this area:

2. My program promotes collaborative research.

Strongly Disagree Disagree Neither Agree or Disagree Agree Strongly Agree

Please list ways, if any, that your program could improve in this area:

3. My program promotes collaborative (clinical) practice.

Strongly Disagree Disagree Neither Agree or Disagree Agree Strongly Agree

Please list ways, if any, that your program could improve in this area:

Strategic Goals

The Strategic Goals of the DHS are:

1. To provide high quality programs that are efficient, cost effective, and student oriented.
2. To create an environment conducive of inquiry.
3. To expand the DHS image as a destination site for health professions education.

We are interested in knowing your opinion about how efficiently your program meets these goals and your ideas on how your program could increase its effectiveness in these areas.

4. My program is a high quality program.
