II. Discussion Items

a. Alternative Credit Opportunities
McKenzie discussed changes that need to be made to Alternative Credit Opportunities Catalog to update information and remove credits that are no long available. McKenzie discussed taking out addresses and processes so student can see what we offer and adding a link to policies and processes website that we keep updated for the State Board of Education. CLEP Objective 9 was discussed and updated. Credit by challenge examination will be changed from credit earned to credit attempted in second to last bullet point and students will be referred to Graduation Policy for more information about challenge examination. Fitzpatrick motioned to accept changes in Alternative Credit Opportunities catalog. Wolter seconded. Motion carried.

b. Academic Renewal Policy
Frantz discussed transfer credit and corrections that need to be made to the Advising website so it aligns with the catalog. Fitzpatrick motioned to accept changes in Academic Renewal Policy. Burde seconded. Motion carried.

c. Course Numbering Policy
McKenzie discussed that Curriculum Council approved the College of Technology to offers upper division courses in their RCET program and course numbering needs to account for this. For funding purposes we will put an asterisk by courses in RCET 3000-3999 to indicate that they are upper division and technical courses. Wolter motioned to accept changes in Course Numbering Policy. Foley seconded. Motion carried.
