We are working to improve mapping in Activity insight so it will reflect on your annual evaluation. Wagoner recommends that Faculty Senate get involved with how
annual evaluations are done and look at faculty evaluation being done by a panel of our peers. Frantz talked about the self evaluation portion of the annual evaluation. Frantz discussed the clinical area in the evaluation and how it differs between colleges. Leffler suggested that all evaluations need to have some level of consistence campus wide to be able to get consistent information from the evaluations. Conflict of interest has been taken out of the annual evaluation. The State requires annual report but doesn’t say what needs to be in the report.
