(1.) Cost of Technology Session is one-half of the semester charge.
(2.) Not charged during Summer Session
(3.) $353.00 charged during Summer Session
(4.) Due to a change to Idaho State Board of Education Policy V.R.3.b.iv. referencing professional fees, course fees associated with a program that has professional fees are now prohibited. As a result, the proposed increase to some professional fees includes existing course fees that are now prohibited as a separate fee. The overall net increase to professional fees meets the competitive test and is shown here.
