Event Date
April 17, 2020
Pond Student Union in Pocatello
Skaggs Health Science Center in Meridian

Call for Abstracts

Abstract submissions are now being accepted for podium and poster presentations highlighting research activity from faculty, graduate students, undergraduate students and community professionals.

Selection guidelines:
• Encore presentations (within the last three years) are welcome
• Preference will be given for submissions that reflect original research

For abstract submission access and poster guidelines, visit the Research Day website: isu.edu/ichr/kdhs-research-day

Submission Deadline
March 1
