• Mission Fulfillment and Student Achievement Outcomes
Assessment and Mission Fulfillment

Standard Five Response as “Discussion”
In regard to fulfilling the institutional mission:
• What do your assessment data tell you?
• What is the significance of your findings?
• What are your successes?
• What improvements has your assessment led to?
• What improvements are under consideration?
• Based on your assessment is mission fulfillment occurring?
Assessment of Student Achievement

• Graduation Rates
• Retention Rates
• Employment Rates
• Default Rates
Student Achievement

1. What are the key challenges of the institution related to the institution’s graduation rate and other data provided?
2. What is the institution doing to improve graduation rates?
3. What initiatives appear to be effective in improving graduation rates?
4. What might accreditors do to assist institutions to improve graduation rates?
