I. POLICY STATEMENT

The Student Code of Conduct, or hereafter referred to as “the Code,” articulates behavioral standards and procedural guidelines designed to empower ISU community members to live, work, study, recreate, and pursue their goals in a safe, secure, and inclusive environment. Adherence to and enforcement of the Code promotes Student accountability, community integrity, and mission fulfilment.

This Code should be viewed as a general framework to guide Student Conduct. It cannot possibly cover all complex situations or exceptional circumstances involving policies and procedures. Therefore, the Vice President for Student Affairs, in collaboration with General Counsel, shall decide what policies and/or processes shall be applied if a circumstance is not specifically addressed herein.

### III. AUTHORITY AND RESPONSIBILITY

Students are subject to University authority. The University derives its authority to regulate Student Conduct from the Idaho State Board of Education. The President of the University delegates this authority to the Vice President for Student Affairs and Enrollment Management, who then extends the authority to the Conduct Administrator.

A. The Conduct Administrator and/or the Vice President for Student Affairs may develop policies for the administration of the Code and establish procedural rules for Conduct Officers and Student Conduct Boards that are consistent with the Code.

B. The Conduct Administrator determines which Conduct Officer or Conduct Board will hear a particular complaint. The Vice President for Student Affairs evaluates requests for appeals and determines who may hear them.

C. The University’s authority to regulate Conduct applies to:

1. Students, registered Student Organizations, and student groups, if their collective action violates the Code and displays a lack of internal control that is detrimental to the purposes of the University or the maintenance of a secure and productive learning environment.
2. Students, from the time they submit an application for admission through the actual awarding of a degree, Conduct that occurs before classes begin or after classes end, as well as during the Academic year and during periods between terms of enrollment, are subject to the terms of this policy. If misconduct occurred prior to the awarding of a degree, but was not discovered until after the degree was awarded, the University may still institute its Conduct Proceedings.

3. Students, even if they withdraw from school while a complaint, investigation, or Conduct Proceeding is pending or underway.

4. Conduct that occurs on University Premises (all locations and centers), at University sponsored activities, and off-campus Conduct that adversely affects the University community and/or the pursuit of its objectives. The Conduct Administrator and/or the Vice President for Student Affairs decide(s) whether the Code shall be applied to Conduct occurring off campus on a case-by-case basis.

5. Conduct that occurs while Students are studying in another country, even if the University does not coordinate or supervise the experience.

D. Misconduct that is also a Violation of Law

University Conduct Proceedings may be instituted against a Student charged with Conduct that potentially violates both the criminal law and the Code (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution.

Conduct Proceedings under the Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings at the discretion of the Conduct Administrator in consultation with the Vice President for Student Affairs and General Counsel.

Determinations made or sanctions imposed under the Code may not be subject to change because criminal charges arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.

IV. UNIVERSITY CONDUCT RULES AND REGULATIONS

The University encourages Students to approach personal decision making with the following expectations and principles. The following behaviors are considered violations and may be actionable under the Code:

class or prevent other Students from receiving the benefits of instruction may be considered disruptive.

If an instructor informs a student that a particular behavior is disrupting the learning activity or instructional interaction, the student should promptly stop the behavior. If a Student continues the behavior, the instructor may refer the student to the Dean of Students or ask the student to leave the classroom. If a Student is asked to leave, the Student should leave the class quietly. Z. Quiet Hours/Courtesy Hours

Quiet hours are determined with a floor charter within the Residence Halls. Residence halls and apartments have 24-hour courtesy hours.

VI. STUDENT CONDUCT PROCESS AND PROCEDURAL RIGHTS

A. Information Alleging Student Misconduct
Any person may share information with the University alleging a Student violated the Code. Information may be provided by contacting the Dean of Students Office.

B. Review of Information Alleging Misconduct

The Conduct Administrator reviews all reports and statements from concerned individuals to determine if the alleged facts, if true, would constitute a violation of the Code’s provisions. At the time of the review, the Conduct Administrator assumes the claims made by the reporting party to be made in good faith.

C. Investigations

Depending on the amount, clarity, and specificity of the information presented to the Conduct Administrator, it may be helpful for the Conduct Administrator or designated Conduct Officer to investigate the allegations for the purpose of obtaining additional information. Often, the content of the reports from Public Safety or others is sufficiently informative to request meetings with Students accused of alleged misconduct without conducting an investigation. The decision to conduct an investigation for most allegations of misconduct is the prerogative of the Conduct Administrator and based on their professional judgment and discretion.

For allegations of discrimination or harassment based on Protected Class, the decision to conduct an investigation is the prerogative of the Director of the Office of Equity and Inclusion.

D. Administrative Resolution Meetings

The Conduct Administrator or designated Conduct Officer will notify Students accused of misconduct in writing and request a meeting to discuss the allegations. This meeting will provide the Student with an opportunity to:

1. Review the Student Conduct Code’s procedural provisions
2. Learn about the allegations and specific policies that may have been violated
3. Discuss the information alleging misconduct
4. Present an alternative explanation for the allegations

Students who do not respond to the notice of allegations and request for an Administrative Resolution Meeting within three (3) business days may be subject to the decision of the Conduct Administrator or designated Conduct Officer without input. The same result may occur if the Student schedules a meeting and subsequently chooses not to attend.

The Administrative Resolution Meeting with Students is considered an opportunity to be heard on the allegations and will afford Students many of the procedural rights
provided to Students during a Student Conduct Board hearing. The Administrative Resolution Meeting provides the Student with an opportunity to resolve the allegations in a less formal setting. The Administrative Resolution Meeting may be audio recorded at the discretion of the Conduct Administrator or designated Conduct Officer or Student.

E. Outcomes of an Administrative Resolution Meeting

The following outcomes may result from an Administrative Resolution Meeting:

1. Finding of No Responsibility: The Respondent may present evidence and an alternative explanation of alleged facts and the Conduct Officer may find the Respondent not responsible based on a preponderance of evidence.

2. Mutual Finding of Responsibility: The Respondent may review the alleged facts and available evidence and admit responsibility for the alleged violation.

3. Administrative Finding of Responsibility: The Respondent may offer an alternative explanation of the alleged facts and present evidence, but totality of the evidence outweighs the Student’s explanation. The Conduct Officer may find the Student responsible for the alleged violation and impose sanctions.

The Respondent may reject the administrative finding of responsibility and request the report of alleged misconduct be reviewed and adjudicated by a Student Conduct Board.

F. Student Conduct Board Hearings

Student Conduct Board hearings are held when the Respondent rejects an administrative finding of responsibility. The first objective of the Student Conduct Board is to determine whether the Respondent is responsible for the alleged violation based on a preponderance of the evidence. If a Student is found responsible, the Student Conduct Board will determine what sanctions are commensurate with the committed violation.

The Student Conduct Board is comprised of Faculty, staff, and Students who are trained to serve as adjudicators. Conduct Board members serve on a voluntary basis. The Student Conduct Board will be composed of no fewer than three (3) and no more than five (5) members drawn from a larger pool of trained personnel. The composition of the Student Conduct Board may be affected by the time of year at which the hearing occurs and the availability of members at times that are suitable for the Complainant and the Respondent.

G. Procedural Guidelines for Student Conduct Board Hearings

1. Student Conduct Board hearings are private. Only the Complainant, the Respondent, their advisors, witnesses, members of the Student Conduct Board, and the Conduct Officers may attend. At the discretion of the Administrator, other persons may be
admitted. Hearings are recorded. The recording is the property of the University and maintained according to applicable laws and policies.

2. The Complainant and Respondent may be accompanied by an advisor of their choosing. The advisor may not be a witness. Students should provide the name of their advisor to the Conduct Administrator no fewer than three (3) business days prior to the hearing. The advisor does not speak directly to the Student Conduct Board members or otherwise participate in the hearing. The advisor may confer with the Student they have accompanied. The Complainant and Respondent are responsible for presenting their own information. A Student should select an advisor whose schedule permits attendance. No delays shall be granted on the basis of an advisor’s scheduling conflicts. If requested, the Conduct Administrator will recommend an advisor.

3. The hearing may be held even if the Complainant or Respondent does not attend, provided the Student Conduct Board can confirm there was a good faith effort to notify the Complainant and the Respondent in writing. A Complainant or Respondent may not appeal a Conduct Board decision based on their absence at the hearing unless unusual, exigent circumstances beyond their control, prevented attendance as determined by the Conduct Administrator, whose decision is final.

4. The Complainant and the Respondent may request that an empaneled Student Conduct Board member be excluded from participating in a hearing on the basis of an inability to serve impartially.

5. The Complainant and Respondent may call and question witnesses. All questions asked of witnesses must be directed to the Student Conduct Board chair. The names of witnesses who will be called to testify at the hearing must be provided to the Conduct Administrator no fewer than three (3) business days prior to the hearing. The University cannot compel witnesses to appear. In general, character witnesses are not needed and do not contribute to fact finding or determining responsibility. Rather, the Student Conduct Board’s focus is on witnesses who may have information about the incident(s) in question.

6. The Complainant and Respondent may present evidence of their choosing at the hearing. Whether the evidence is relevant or accepted as information for consideration by the Student Conduct Board is at the sole discretion of the Student Conduct Board chair.

7. Formal rules of process, procedure, and/or technical rules of evidence, such as those applied in criminal or civil court, are not used in Student Conduct Board proceedings.

8. All procedural questions and/or exceptions are subject to the final decision of the Student Conduct Board chair.
9. The Complainant and Respondent will be invited to give opening statements. Then the Complainant presents their case followed by the Respondent’s presentation. The Complainant and the Respondent will have the opportunity to question witnesses through the Student Conduct Board chair. Last, the Complainant is invited to give a closing statement followed by the Respondent.

10. The Student Conduct Board shall go into closed session following the hearing with only Student Conduct Board members present. Deliberations are not recorded. The Student Conduct Board’s decision shall be based on a preponderance of the evidence, whether “it is more likely than not,” that the Respondent is responsible for the alleged Code violation(s). The Student Conduct Board’s decision may be rendered with or without statement of fact or comments.

11. If the Respondent or Complainant chooses not to attend the hearing, the hearing may commence without their presence. However, no assumptions shall be made about the Respondent’s responsibility due to their absence.

12. The Student Conduct Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Respondent, and/or witnesses during the hearing by providing accommodations not limited to separate facilities, using a visual screen, and/or by permitting participation by telephone or video conferencing. Implementing such measures is done at the sole judgment of the Conduct Administrator.

13. The Complainant and Respondent may be verbally notified by the Conduct Administrator of the outcome of the hearing within forty-eight (48) hours after the Student Conduct Board has reached a decision. Written notification will be sent within five (5) business days.

H. Sanctions for Violations of the Student Code of Conduct

1. Sanctions to Individuals

May include educational and learning based outcomes as appropriate. The following sanctions may be imposed, singly or in combination, upon any Student found to have violated the Code:

a. Written Warning: A written notice that the Student is violating or has violated University policy. A record of the warning is kept in the Student’s conduct file.

b. Probation: A written reprimand for violation of specified policy. Probation is for a designated period of time. Sanctions may include loss of privileges or benefits. Additional sanctions up to and including suspension or expulsion may occur for additional violations of the Code.
c. Loss of Privileges: Denial of specified privileges for a designated period of time, including the privilege of representing the University in official capacities. However, decisions about eligibility to participate in NCAA intercollegiate competitions are administered by the Athletic Department.

d. Restitution: Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement. Financial penalties may be added to the Student’s ISU financial account.

1. A decision reached or sanction assigned by the Student Conduct Board may be appealed by the Respondent to the Vice President for Student Affairs and Enrollment Management within five (5) business days of receipt of the decision. In cases of alleged sexual misconduct, relationship violence, or stalking, the Complainant may also appeal. Such appeals shall be in writing and shall be delivered physically or electronically to the Office of the Vice President for Student Affairs and Enrollment Management.

2. Appeals may be heard by either the Vice President for Student Affairs and Enrollment Management, their designee, or by a three-person board at the discretion of the Vice President for Student Affairs and Enrollment Management.

3. Appeals will be conducted by written statement from each party. The Vice President for Student Affairs and Enrollment Management, or their designee, reserves the option to have a conversation with all parties to gain clarity on the written statement.

4. Appeals can be made for the following reasons:

   a. The policies and processes in this Code were not followed resulting in significant prejudice in the results.

   b. The decision reached by the Student Conduct Board was made on substantial misinformation.

   c. The sanctions were not appropriate or consistent with similar violations of the Code.

   d. New information that was not available at the time of the Student Conduct Board hearing has emerged. This information must be new and potentially impact the outcome of the hearing.

5. If the appellate body grants the appeal based on any of the above grounds, the following will occur:

   a. If there was significant prejudice resulting from the procedural irregularities, the case will be remanded for new hearing.
b. If there was insufficient information for a finding of responsibility or non-responsibility, the appellate body may either reverse the decision or remand the case for a new hearing.

c. If the sanctions are inappropriate for the violation, new sanctions may be imposed.

d. If there is new information sufficient to alter a decision or other relevant facts not known to the person appealing at the time of the hearing, the case will be remanded for a new hearing.

e. Normally sanctions issued following Student Conduct Board hearings shall not be implemented until all appeals have been exhausted, waived, or made impermissible by time. However, exceptions may be made on a case-by-case basis and sanctions may be implemented immediately based upon the potential threat or danger to the community.

f. The appellant will be notified of the appeal decision within five (5) business days following the conclusion of the appellate process.

6. The State Board of Education (SBOE), as the governing body of the state's postsecondary educational institutions, has established the following procedure for review of institution decision regarding Student complaints/grievances:

a. The SBOE designates its Executive Director as the SBOE's representative for reviewing Student complaints/grievances, and authorizes the Executive Director, after such review, to issue the decision of the SBOE based on such review. The Executive Director may, in their discretion, refer any matter to the SBOE for final action/decision.

b. A current or former Student at a postsecondary educational institution under the governance of the SBOE may request that the Executive Director review any final institutional decision relating to a Student's attendance at the institution as set forth under paragraph c. The Student must have exhausted the complaint/grievance resolution procedures that have been established at the institution level. The Executive Director will not review complaints/grievances that have not been reported to the institution, or processed in accordance with the institution's complaint/grievance resolution procedures.

c. Matters involving a violation of an institution's code of Student Conduct will only be reviewed if the basis for the request is that the institution substantially failed to follow its procedures resulting in a failure to give the Student reasonable notice of the violation and opportunity to be heard, or to present testimony. Sanctions imposed by the institution will remain in effect during the pendency of the review.
d. A request for review must be submitted in writing to the SBOE office to the attention of the Chief Academic Officer, and must contain a clear and concise statement of the reason(s) for SBOE review. Such requests must be received in the SBOE office no later than thirty (30) calendar days after the Student receives the intuition’s final decision on the matter. The Student has the burden of establishing that the final decision made by the institution on the grievance/complaint was made in error. A request for review must include a copy of the original grievance and all proposed resolutions and recommended decisions issued by the institution, as well as all other documentation necessary to demonstrate that the Student has strictly followed the complaint/grievance resolution procedures of the institution. The institution may be asked to provide information to the SBOE office related to the Student complaint/grievance.

e. The Chief Academic Officer will review the materials submitted by all parties and make a determination of recommended action, which will be forwarded to the Executive Director for a full determination. A review of a Student complaint/grievance will occur as expeditiously as possible.

f. The SBOE office may request that the Student and/or institution provide additional information in connection with such review. In such event, the Student and/or institution must provide such additional information promptly.

g. The SBOE’s Executive Director will issue a written decision as to whether the institution’s decision with regard to the Student’s complaint/grievance was proper or was made in error. The Executive Director may uphold the institution’s decision, overturn the institution’s decision, or the Executive Director may remand the matter back to the institution with instructions for additional review. Unless referred by the Executive Director to the SBOE for final action/decision, the decision of the Executive Director is final.

J. Disclosure of the Outcome of Student Conduct Hearings to Victims and/or Others: When an alleged Code violation constitutes a crime of violence and the Conduct Administrator or Conduct Board finds the alleged violator responsible, the University shall disclose the outcome and the sanction to the victim.

In addition, when the alleged Code violation constitutes a crime of violence and the alleged violator is found responsible, the University, under applicable federal law, retains the right to disclose the name of the violator, the portion of the Code that was violated and the sanctions, to anyone whom that information may be redisclosed.
K. Interim Suspension: In certain circumstances, the Conduct Administrator may impose an interim University or residence hall suspension prior to the initiation of Conduct Proceedings.

1. Interim suspension may be imposed only:
   a. To ensure the safety and well-being of Members of the University Community or preservation of University property
   b. If the Student poses an ongoing threat of disruption of, or interference with, the normal operations of the University.

2. During the interim suspension, a Student shall be denied access to University Housing and/or to the campus and/or all other University activities or privileges for which the Student might otherwise be eligible, as the Conduct Administrator may determine to be appropriate.

3. The interim suspension does not replace the regular Student conduct process, which shall proceed on the normal schedule, up to and through a Student Conduct Board hearing, if required.

4. Students placed on interim suspension may appeal this action by submitting a letter to the Conduct Administrator.

5. The Student must be notified in writing of this action and the reasons for the interim suspension.

6. Students may request, in writing, that the Conduct Administrator reconsider the interim suspension after three (3) business days.

VII. INTERPRETATION, REVISIONS, AND RECORDS

A. Any question of interpretation or application of the Code shall be referred to the Conduct Administrator, or designee, for final determination.

B. Where the provisions and procedures of the Code conflict with specific laws and provisions of the United State of America, the State of Idaho, the policies of the Idaho State Board of Education, or Idaho State University, the specific laws and policies would apply. If state or federal statutory provisions, regulatory guidance, or court interpretations or guidance provided by any authorized regulating agency change or conflict with University policy and/or procedure including but not limited to the hearing procedures set forth in the Code, the University's policy and/or procedure will be deemed amended as of the time of the decision, ruling, legislative enactment, or guidance.
C. The Code shall be reviewed annually under the direction of the Conduct Administrator.

D. Student conduct files and official records will be stored in the Office of the Vice President for Student Affairs and Enrollment Management.
