

*a timeline overview*

# APPLYING FOR HEALTH TRACKS

## Accepted to the PA Program.

DECEMBER-MAY

Return your acceptance response letter to the Program's offer, respond to the Graduate School's offer, think about what angle on medicine you're passionate about.

## Apply for a health track.

MAY-JULY

Both the Rural Health Track (RHT) and the Latino Health Track (LHT) have internal applications available through the Orientation Moodle.

## Interview for your health track.

JUNE-JULY

Both RHT & LHT have internal interviews. Only LHT has a language component to its process.

## Apply for AHEC Scholars.

AFTER RHT ACCEPTANCE  
ONLY

AHEC Scholars has seats reserved for RHT students, so the application is just a formality to get you into the AHEC system. Your acceptance is guaranteed.

## Apply for certificate of your choice.

AFTER TRACK ACCEPTANCE

Both RHT & LHT require you to be pursuing another graduate certificate, which requires a Graduate School application. Choose "Graduate Degree Seeking" > "Certificate".

CONGRATULATIONS! TIME TO FOCUS.
