

**MS Equivalency Review Form
ISU Clinical Psychology Doctoral Program**

This form is used by the program to determine what classes a student from a MS/MA program from another university can transfer for credit to ISU. Individual course equivalencies are approved either by ISU instructors of the relevant course or by the Clinical Training Committee. Thesis project equivalence is approved by the Director of Clinical Training and the Chair of the ISU Department of Psychology. All transfer credit requests must be submitted to the ISU Graduate School prior to submission of the program of study using the Graduate Transfer Credit Form on the Graduate School website.
