

Pocatello Crime and Fire Log

Criminal incidents reported to Public Safety and occurring in ISU's Clery Act geography are listed in order by date reported. Fire incidents reported to Public Safety and occurring within ISU's campus apartments or residence halls will be listed in red text by date reported. The most recent incidents will be listed at the top of the crime and fire log.

In some instances, Public Safety may not be able to provide all information for a crime or fire due to how it was reported. This will be indicated by using "unknown."
