REQUEST FOR QUOTE #20200318
USED OIL REMOVAL

Idaho State University
921 S. 8th Ave., Stop 8110
Pocatello, ID 83209
T 208-282-2955 | F 208-282-4722

1. Purpose
Idaho State University (the University) is requesting quotes, and to establish a contract, for removal of used oil from all applicable areas of the University.

The contact for this RFQ is:
Wendy Holder
921 S. 8th Ave., Stop 8110
Pocatello, ID 83209
T 208-282-2955 | F 208-282-4722
holdwend@isu.edu

2. Background
The following is a list of locations that will need service, other locations may be added as needed.

   a. Transportation Services
   b. ISU Idaho Falls Facilities Services
   c. Idaho Accelerator Center
   d. Aircraft Maintenance Technology
   e. College of Technology
   f. Eames Building (future)
   g. Diesel Electric (Dowling Building)
   h. Meridian Campus
   i. Idaho Falls Campus

Addresses and contact information for each location will be provided to the contractor after the award. The University is not obligated to have pick-ups at all listed locations.

A list of locations, volumes, and frequency of pickups is located on Attachment Four (4).

3. Timeline
Quotes are due April 3, 2020 by 5:00 PM MT.

4. Scope of Work / Specifications
See Attachment One (1)

5. Award and Term
Award will be made to the responsive responsible vendor with the lowest Total Cost as provided on Attachment 2, Cost Sheet, and that meets all requirements on Attachment 1, Scope of Work / Specifications.

The term of the resulting contract will be one (1) year, with the option to renew for three (3) additional one (1) year periods upon mutual agreement.

6. Response
Enter your costs on Attachment 2, Cost Sheet, complete the Scope of Work/Specifications on Attachment one (1), complete the Signature Page Attachment three (3), and email, fax, or hand deliver to the RFQ contact named above.
7. Invoice and Payment

Submit invoices to:

Bonnie Liston  
Idaho State University  
921 S. 8th Ave., Stop 8110  
Pocatello, ID 83209  
extbonn@isu.edu  
208-282-3923

8. List of Attachments and Required Submittal Items

Failure to include and of the Required Submittal Items may result in your quote being found non-responsive.
Instructions: Check Yes or No indicating that you can, and will, meet the requirements below. If any of the requirements can’t be met your quote may be found non-responsive.

1. Services will be performed on an as needed basis when requested by ISU.
   Yes ______ No ______

2. Pickup will be scheduled within 15 business days of ISU request.
   Yes ______ No ______

3. Contractor will wait for an ISU representative of the EHS department to be present prior to beginning an oil removal.
   Yes ______ No ______

4. The transporter of used oil must have an EPA Identification number and must comply with all State and Federal used oil regulations and the US Department of Transportation regulations, including any applicable hazardous waste or materials requirements.
   Yes ______ No ______

5. What is your EPA Identification number?
   __________________________

6. The transporter must provide shipping records.
   Yes ______ No ______

7. Does your company provide 24/7/365 service?
   Yes ______ No ______

8. Provide contact information, including mobile phone number for 24/7/365 service.
   Yes ______ No ______

9. In the event of an unintentional spill during removal the Contractor will mitigate the spill at their own expense and at no additional charge to the University. This requires the Contractor to have a spill response kit on their vehicle with all materials necessary to contain and clean up the spill.
   Yes ______ No ______

10. Does your company have the ability to remove oil using a bulk storage truck?
    Yes ______ No ______

11. Is your total halogen threshold more stringent than 1000 ppm?
