

Master Competency List

NAME:

Competency		Mandatory Date	Elective Date	Sim "X"
RS 3389 Applied Radiography I	CHEST, ABDOMEN,& UPPER EXTREMITIES			
	Chest Routine			
	Abdomen Supine (KUB)			
	Abdomen Upright			
	Abdomen Decubitus			
	Abdomen (age 6 or younger)			
	Thumb or Finger			
	Hand			
	Wrist			
	Forearm			
	Elbow			
	Humerus			
	Shoulder			
	Clavicle			
	Upper Ext (65+, physically/cognitively impaired)			
	Scapula			
	AC Joints			
	Upper Extremity (age 6 or younger)			
	GENERAL PATIENT CARE			
	CPR			
	Vital Signs (BP, pulse, pulse ox., resp., temp.)			
Sterile and aseptic technique				
Venipuncture				
Transfer of patient				
Care medical equipment (e.g. O2 tank, IV tubing)				
RS 3390 Applied Radiography II	LOWER EXTREMIITES			
	Foot			
	Ankle			
	Tibia-Fibula			
	Knee			
	Patella			
	Femur			
	Pelvis			
	Hip			
	Cross Table (Horizontal Beam) Lateral Hip			
	Lower Ext (65+, physically/cognitively impaired)			
	Lower Extremity (age 6 or younger)			
	Sacroiliac Joints			
	Toe			
Calcaneus (Os Calcis)				

Competency		Mandatory Date	Elective Date	Sim "X"
RS 4488 Applied Radiography III	SPECIAL CHEST, SPINE, & GI TRACT			
	Chest (age 6 years or younger)			
	Chest (65+ and physically or cognitively impaired)			
	Chest AP, Wheelchair or Stretcher			
	Chest Lateral Decubitus			
	Upper Airway (Soft Tissue Neck)			
	Cervical Spine			
	Thoracic Spine			
	Lumbar Spine			
	Scoliosis Series			
	Sacrum and/or Coccyx			
†Esophagus study				
†Small Bowel series				
^Upper G.I. Series (Single or Double) Contrast				
^Contrast Enema (Single or Double) Contrast				
RS 4489 Applied Radiography IV	TRAUMA, MOBILE AND SURGICAL			
	Cross Table (Horizontal Beam) Lateral Spine			
	Trauma: Upper Extremity (Nonshoulder)			
	Trauma:Shoulder or Humerus(ScapY, Transthoracic or Axial)			
	Trauma: Lower Extremity			
	Portable Chest			
	Portable Abdomen			
	Portable Orthopedic			
	Multi-projection C-Arm Procedure			
	Surgical C-Arm Procedure			
Mobile Study (age 6 or younger)				
RS 4490 Applied Radiography V	THORAX, HEAD, GU, SPECIAL PROCEDURES			
	Ribs			
	Sternum			
	*Facial Bones			
	*Nasal Bones			
	*Paranasal Sinuses			
	*Mandible			
	*Orbits			
	*Skull			
	*Temporomandibular Joints			
	*Zygomatic Arches			
	Intravenous Urography			
	†Cystography or Cystourethrogram			
	†ERCp			
	†Arthrography			
	†Hysterosalpingography			
	†Myelography			

* At least one of these exams must be completed
 ^ At least one of these exams must be completed
 † At least one of these exams must be completed

Requirements	RS 3390 (8) Req.	RS 4488 (10) Req.	RS 4489 (10) Req.	RS 4490 (10) Req.
Chest routine				
Abdomen Supine (KUB)				
Abdomen Upright				
Abdomen Decubitus				
Abdomen (age 6 or younger)				
Thumb or Finger				
Hand				
Wrist				
Forearm				
Elbow				
Humerus				
Shoulder				
Clavicle				
Upper Extremity (age 6 or younger)				
Foot				
Ankle				
Tibia-Fibula				
Knee				
Femur				
Pelvis				
Hip				
Cross Table (Horizontal Beam) Lateral Hip				
Upper Ext (65+, physically/cognitively impaired)				
Lower Ext (65+, physically/cognitively impaired)				
Patella				
Sacroilac Joints				
Upper Extremity, (age 6 years or younger)				
Lower Extremity, (age 6 years or younger)				
Scapula				
AC Joints				
Toe				
Os Calcis				
RS 3390 select from above				
Chest, (age 6 years or younger)				
Chest (65+ and physically or cognitively impaired)				
Chest AP, Wheelchair or Stretcher				
Cervical Spine				
Thoracic Spine				
Lumbar Spine				

Requirements	RS 4488	RS 4489	RS 4490
Esophagus Study			
Upper G.I.(Single or Double) Contrast			
Small Bowel Series			
Barium Enema (single or double) contrast			
Chest Lateral Debcubitus			
Upper Airway (soft tissue neck)			
Scoliosis Series			
Sacrum and/or coccyx			
RS 4488 select from the above			
Cross Table (Horizontal Beam) Lateral Spine			
Trauma: Upper Extremity (Nonshoulder)			
Trauma:Shoulder or Humerus(ScapY, Transthoracic or Axial)			
Trauma: Lower Extremity			
Portable Chest			
Portable Abdomen			
Portable Orthopedic			
Multi-projection C-Arm Procedure			
Surgical C-Arm Procedure			
Mobile Study (age 6 or younger)			
RS 4489 select from the above			
Ribs			
Skull			
Paranasal Sinuses			
Facial Bone			
Nasal Bones			
Orbits			
Zygomatic Arches			
Mandible (Panorex Acceptable)			
Temporomandibular Joints			
Cystography or Cystourethrogram			
Intravenous Urography			
Sternum			
Hysterosalpingography			
ERCP			
Arthrography			
Myelography			
RS 4490 select from the above			

Shaded areas are elective exams
