Nursing Opportunities for Facility Surveyor

Idaho Department of Health and Welfare is seeking registered nurses, licensed in Idaho, to be a part of our survey teams that inspect skilled nursing facilities to ensure they meet state licensing and federal certification requirements.

Facility Standards

The Bureau of Facility Standards, in cooperation with the Centers for Medicare/Medicaid Services (CMS) and the Department of Health and Welfare, serves and protects Idahoans requiring health-related services, supports, and supervision in care facilities by:

- ◆ Promoting each individual's rights, well-being, safety, dignity, and highest level of functional independence
- ◆ Enforcing compliance with state rules and federal regulations; and
- ◆ Providing information and education

We license and certify health care providers/suppliers following state and federal regulatory requirements, as applicable. We also conduct complaint investigations relating to these providers/suppliers.

(www.facilitystandards.idaho.gov)

Applicants Must:

- ◆ Be licensed as a Registered Nurse (RN) in the State of Idaho
- ◆ Be able to travel to skilled nursing facilities across the state with valid driver's license

Full and part-time positions are available statewide.

If you are seeking the type of job in which you feel you truly make a difference in the lives of others, this just may be the opportunity for you.

Hiring is done without regard to race, color, religion, national origin, sex, age or disability. In addition, preference may be given to veterans who qualify under state and federal laws and regulations.
