The approved menu will be Sage Roasted Chicken and Apples, and Sage Roasted Pork and Apples. The sides will be the same for both entrees. When staff RSVP they will be able to choose which meat option or if they would like the vegetarian entree. James said we will be under budget with the menu this year.

A list of employees to be recognized will be emailed to staff soon so any errors may be corrected. Doug will be coordinating pictures for the employees to be recognized. Mia will be coordinating pictures of staff council members. Chelsie will be coordinating decorations which will be the same for Pocatello and Idaho Falls. James said we still need volunteers for set-up and clean-up, greeters to hold baskets where attendees can place their card showing their entrée choice, and for the award presentations. Debra said she created a letter that may be used to ask for donations.

Could fundraising be done, or could any awards not used for professional development in the previous semester be rolled into the next semester's awards? The consensus was that we may need to re-look at the budget.
