

The Byrd's View to Keep You Informed

Hello Staff Member,

Wow, this morning was the last meeting of the school year for the President's Cabinet. I must say that I truly enjoyed representing Staff Council this year and hope that I didn't let any staff member down in that regard.

As of today, there are only twelve days before graduation and I hope to see all of you at the ceremony cheering for those students who made life easy for you and those who made things challenging for you. My experiences with students have been that both groups appreciate your efforts and will have fond memories of ISU that will include you in them. In case nobody tells you, GREAT JOB STAFF MEMBER and THANK YOU for all you did for graduating students this school year.

Dr. James 'Byrd' Yizar
2016/17 Staff Council President
