

The Byrd's View to Keep You Informed

Hello Staff Member,

Can you believe 2017 is here and the semester is off to a fast start already? There are some major items scheduled to take place this semester and I will do my best to keep you informed of them as the semester moves along. My three wishes for each of you in 2017 is that you have a wonderful semester, every student you assist tells you how wonderful you are, and your peers let you know how valuable you are to the department goals and objectives. Remember to keep your ears and eyes open so that you witness all the wonderful and exciting things to come your way this year. On behalf of Staff Council, we want to be the first this semester to tell you how valuable you are to ISU and we wish you well this semester.

Dr. James 'Byrd' Yizar
