

Greetings Idaho State University Staff Members:

My name is Lindsey Solomon and I am excited to serve you as Staff Council President for the 21-22 academic year. I am grateful for the opportunity and look forward to interacting with all of you throughout the year. This is my fourth year on Staff Council and I have enjoyed meeting and working with staff from all around campus. I have been involved in planning and implementing events, presenting monthly at the New Bengal Experience, and recognizing staff retirees. All of these duties and responsibilities have reminded me how important each staff member is to the success of Idaho State University.

As stated on our Staff Council website, "Staff Council represents your interests and is the voice for all staff at ISU." It is our goal as Staff Council to bring any ideas or concerns our staff has to the ISU leadership. We also provide recommendations and feedback on policies and decisions made that will impact staff. To make sure your voice is heard, please feel free to reach out to me or any of our [Staff Council Representatives](#).

Another purpose of Staff Council is to show appreciation for all of our amazing staff members we have here at Idaho State University. We do this by sponsoring events and activities throughout the year. These events and activities help us to get to know more of you and will in turn help us be able to better represent you. We are excited to see you and meet you at our events this year.

Thank you so much for all that you do for Idaho State University. Please let us as Staff Council know what we can do for you.

Sincerely,

Lindsey Solomon
