

The Update in Brief

November 10, 2025

- Do You Know? Now You Know? | Dorothy Wagoner (Pg. 1)
- Announcements & Opportunities | Honors Study Abroad Information Sessions; 9th Annual 3MT; U of I Law School Visit; Rake A Difference; ISU Fall Debate Night; INL Internships (Pgs. 2-5)
- ISU Events This Week | Build a Blanket, Red Cross Blood Drive, A Christmas Carol (Pg. 6)

Do You Know?

One of the earliest, if not the first, female student body president at a U.S. college or university, was elected at Idaho State College in 1951!

Dorothy Wagoner became the first female student body president at Idaho State College and, at that time, the only female student body president in the country. She was the only female ISC/ISU student body president until Judi Day was elected in 1962.

Dorothy later earned a pharmacy degree in 1962 at the University of New Mexico and worked as a pharmacist in Albuquerque. She became the chief pharmacist of the hospital now known as Kaseman Presbyterian Hospital. She served as president of the New Mexico Chapter of the American Pharmaceutical Associations and was active in the Civil Air Patrol. Dorothy died of cancer in 1988, two years after she retired.

Now You Know!

Announcements & Opportunities

Honors Study Abroad Opportunity

**Honors is excited to announce a
Summer 2026 study abroad opportunity!**

Led by Dr. Haley Hardman, ISU Professor of Marketing, students will travel through Germany, Austria, Poland, and Czechia, engaging in an immersive international experience. Throughout the program, participants will explore rich historical landmarks, vibrant cultural traditions, and unique sociological perspectives, while also gaining valuable insights into European business and global markets.

This unforgettable journey promises both academic enrichment and personal growth as students broaden their worldview in some of Europe's most fascinating destinations. Some of the itinerary items include FC Bayern's Allianz Arena, Red Bull Hangar-7 in Salzburg, Bouzov Castle, Auschwitz-Birkenau WWII Concentration Camp, among many others!

**The trip is scheduled for May 15-26, 2026,
and will be part of an early six-week summer course.**

This opportunity is available to all Honors students, regardless of major or program, and will be worth 3 upper-division Honors credits. Dr. Hardman will be running information sessions soon--stay tuned for those dates in future UHPWU editions.

Information Sessions

**If you are interested in learning more about the Summer Study
Abroad course, attend one of the two information sessions:**

Monday, November 17th

Tuesday, November 18th

Both sessions will be at 12:00pm in BA 212

Announcements & Opportunities

Honors Students!

You are invited to attend the Graduate School's
9th Annual Three Minute Thesis (3MT) Competition!

While the RSVP for VIP attendance is closed,
you can still attend and support ISU Grad school students!

If you can't attend in person, there will be a livestream at isu.edu/3minutethesis/

9TH ANNUAL 3MT COMPETITION

You Are Invited!

November 13, 2025

6:00 p.m.

L.E. & Thelma
Stephens Performing
Arts Center & Rotunda

University of Idaho Law School Admission Visit

Join folks from the University of Idaho Law School Admissions Office for a discussion about Idaho Law's programs, with locations in both Boise and Moscow.

Get tips from admissions professionals on your application and answers to your questions about financial aid, costs, and anything else about Idaho Law School. Refreshments will be provided.

Thursday, Nov 13 | 4-5pm | Graveley Hall, Rm 300

Announcements & Opportunities

Internship Opportunities

Idaho National Laboratory is seeking both graduate and undergraduate students pursuing STEM degrees to join our Science & Technology Internship Talent Pipeline. This immersive program offers hands-on, mission-driven research experiences that directly support INL's work in nuclear energy, national security, and critical infrastructure.

Students will collaborate with world-class scientists, engineers, and technical professionals on projects that span advanced reactors, cybersecurity, materials science, environmental science, and more. Undergraduate interns are expected to apply foundational knowledge from their academic programs and develop new technical skills.

Learn more about undergraduate opportunities at:

https://inl.taleo.net/careersection/inl_intern/jobsearch.ftl

Rake-A-Difference Volunteer Opportunity

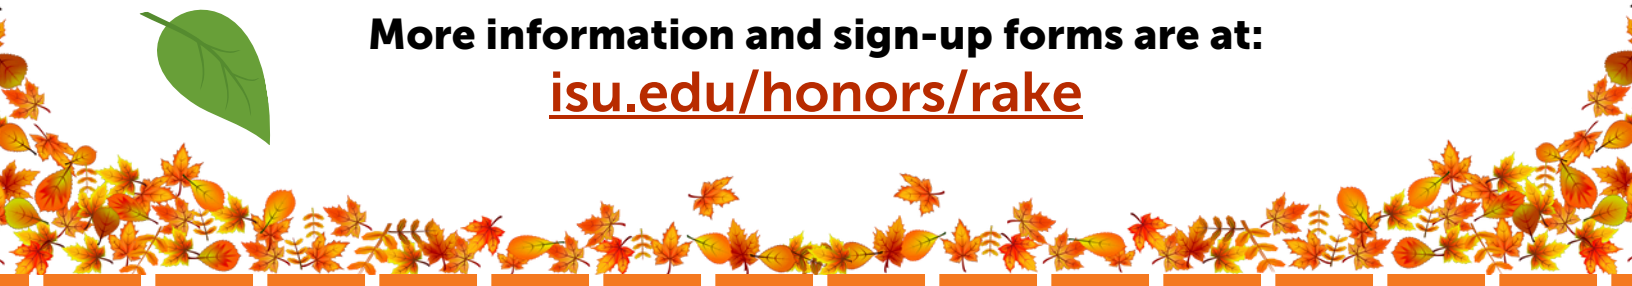

Rake-A-Difference is an annual community event that raises funds to support the [Pocatello Free Clinic](#). Volunteers are needed to rake and transport leaves.

FINAL CHANCE

This Saturday on Nov. 15th

More information and sign-up forms are at:
