# Thank you for considering table sponsorship at the An Opportuni-Tea!

---

An Opportuni-Tea is scheduled for Saturday, April 6, 2024, from 12:00 p.m. - 2:30 p.m. in the event hall at the ICCU Bengal Alumni Center.

This event builds funding for students in the University Honors Program at Idaho State University. Donations directly impact student success by supporting scholarships, student research, additional programming, seminars, and scholarships to address barriers that can be roadblocks for student achievement. In essence, funds raised by An Opportuni-Tea provide additional "opportunities" for Southeast Idaho's high-achieving students.

Table sponsors for An Opportuni-Tea can choose their level of sponsorship and table location. Your name or company will be included in the event program and your table will identify you or your business as a sponsor. Tables are set for eight (yourself and seven guests) with plenty of room for decorations and tableware. Half tables are available and seat four (yourself and three guests). Tables are reserved when sponsorship payments are processed.

The event will feature a delicious three-course afternoon tea complete with savories, scones and mimosas. Entertainment and activities at the event include performances by current Honors students, a silent auction featuring work by students in the University Honors Program, an Owl Tree with opportunities to sponsor mini scholarships that target specific students' needs, and more.

## The University Honors Program at Idaho State University

The University Honors Program is an academic program for students who aspire to have a more engaging and enriching collegiate experience. The program synthesizes the idea of a structured learning community with an interdisciplinary curriculum. Each class is fashioned into small cohorts and led by dedicated and passionate professors who devote themselves to the development of their students.

The primary goals of the University Honors Program are:

- To provide a challenging and imaginative curriculum.
- To prepare students for a post-graduate education through seminars, individual research, and one-on-one interaction with faculty.
- To enhance the lives of all Honors students by nurturing a spirit of continued inquiry and a love of learning.

Graduates of the University Honors Program receive Idaho's only Honors Degree - either the Honors Bachelor of Arts, the Honors Bachelor of Business Administration, the Honors Bachelor of Fine Arts, the Honors Bachelor of Music, the Honors Bachelor of Music Education, or the Honors Bachelor of Science.
