Last year the University Honors Program at Idaho State University hosted the 9th annual An Opportuni-Tea on March 3, 2018. This formal tea was held in the Barbara J. Marshall Rotunda of the L.E. and Thelma E. Stephens Performing Arts Center, and we were thrilled with the success of the event.

An Opportuni-Tea’s purpose is to build funding in order to provide additional programming, research, scholarships, and endowment monies for our truly amazing Honors students. In essence, funds raised by the An Opportuni-Tea provide additional “opportunities” for Southeast Idaho’s bright and high-achieving students.

The University Honors Program at Idaho State University is an academic program for students who aspire to have a more engaging and enriching collegiate experience. The program synthesizes the idea of a structured learning community with an interdisciplinary curriculum. Each incoming class is fashioned into small cohorts and led by extremely dedicated and passionate professors who devote themselves to the development of their students.

Graduates of the University Honors Program receive Idaho’s only Honors Degree - either the Honors Bachelor of Arts, the Honors Bachelor of Business Administration, the Honors Bachelor of Fine Arts, the Honors Bachelor of Music, the Honors Bachelor of Music Education, or the Honors Bachelor of Science. We have included a brochure that provides more detailed information highlighting the University Honors Program at Idaho State University.

The next An Opportuni-Tea is scheduled for Saturday, March 2, 2019 from Noon - 2:30 p.m. in the Barbara J. Marshall Rotunda of the L.E. and Thelma E. Stephens’s Performing Arts Center. This will mark our 10th year celebration of the event. The event will feature brief presentations from representatives of the University Honors Program, performances by current University Honors students, a silent auction, raffle items, and a delicious multi-course afternoon tea complete with savories and scones.

We are asking you to donate an item or collection of items for our silent auction or raffle for An Opportuni-Tea 2019. We have also included last year’s program so that you can see what types of items were auctioned and raffled. The 2019 program will list you (or your company) as a donor for the event. If you or your company is interested in purchasing a table for eight at the event, we would be happy to provide you with additional information.

Please feel free to contact us with questions regarding An Opportuni-Tea. Again, the University Honors Program at Idaho State University appreciates your support and involvement, and we look forward to partnering with you for a wonderfully successful event this year.

Sincerely,
