

TRIO Chromebook and Equipment Agreement

ISU TRIO Pre-College Programs (Educational Talent Search, Upward Bound, and Upward Bound Math/Science) will be loaning out critical technology and other supplies for students to succeed in their TRIO and other academic endeavors. Some of these items are provided on a temporary basis, and must be returned upon request.

The ISU TRIO Pre-College Program may distribute for loan the following materials to the students:

- Dell Chromebook and A/C adapter
- Verizon Internet Hotspot and A/C adapter
- STEM equipment
- Calculator
- Textbooks

Equipment Use Policy: Signing this document means that you agree to the following terms when you receive items listed above:

1. The student will utilize any loaned Chromebooks or equipment only for educational purposes. It is up to the parents/legal guardians to monitor illegal and/or inappropriate conduct on these devices.
2. If a Verizon hotspot is provided, it will only be used for classwork and TRIO programming, and only by the student assigned to the device. These devices slow down if they are used excessively, making it difficult for students to participate.
3. Chromebook and equipment will be loaned on a periodic basis and must be returned to designated locations by dates specified by TRIO staff. If an assigned Chromebook or other equipment is lost, stolen, or significantly damaged, the student may be charged up to \$300 to cover repair or replacement (via stipend deduction for UB/UBMS students).
4. No food or beverages will be consumed around equipment to prevent damage.
5. Please report all accidents/damage right away to TRIO staff.

Students/Parents: I have read the Chromebook and Equipment Agreement, and I understand and agree to the conditions above.

Student Name (please print): _____

Student Signature: _____ Date: _____

Parent Signature: _____ Date: _____

For any questions or concerns about using or returning equipment, please contact the TRIO office at (208) 282-3301 or by email at trio@isu.edu.
