• Update your contact information.

What YOU can do — now.

STAY FOCUSED
During your Junior year:
• Set study times to help you complete your coursework.
• *Optional – Retake your ACT/SAT.

MONITOR YOUR GPA
Grades matter.
• Your cumulative GPA is important - see where you are currently standing for your GPA.
• Most scholarships/institutions will look for a minimum of a 2.5 - 3.0 GPA.

Estimate your scholarship awards!
Scare the QR code with your phone to see a few scholarship grids and their awards.

What YOU can do — now.

Volunteer Opportunities
Why volunteering is important:
• It can help you meet new people
• You can add it on your resume and learn new skills
• Create a resume that shows your experience/involvement. 
• Helps give back to your community
Places to Volunteer:
• Public library
• Food Bank
• Animal Shelter
• Local parks and Thrift Stores
