

Department of Counseling

**MAJOR IN CLINICAL MENTAL HEALTH COUNSELING
LEADING TO THE DEGREE
MASTER OF COUNSELING (M.COUN.)**

The master's degree major in Clinical Mental Health Counseling is designed to prepare counselors to provide individual, group, family, and marriage counseling in various settings. This major emphasizes wellness, development, and advocacy related to clients and the community. Some of the settings where students have served practicum and internships are: mental health centers, state hospitals and training schools, rehabilitation counseling offices, juvenile homes and youth ranches, private practices, and alcohol and substance abuse centers.

A. **General Residency Requirement.** For the Master of Counseling (M.Coun.) degree, the student is required to complete the equivalent of at least four full semesters of resident graduate study beyond the bachelor's degree. The minimum Clinical Mental Health Counseling program must total 60 semester hours.
